COMMUNITY STUNNED BY PERSONNEL CHIEF'S DEMISE

Barbara Galindo, 32, Dies!

Daly City officials and the municipal family expressed profound shock and sorrow Tuesday night when Barbara Jean Galindo, personnel secretary and a 10-year city employee, died after suffering a heart attack at her home.

The popular 32-year-old wife of Police Sergeant Jerry Galindo, 244 Acton street, was found on the floor of the residence by her husband at 7 p.m. Tuesday. Resucitation attempts by ambulance attendants failed.

Mrs. Galindo, a member of a pioneer Daly City family, attended Crocker Elementary and Jefferson High School. She became a city employee in 1949, worked in the finance office for several years, served as an officer with the employees union, and was elevated to the personnel post in March this year.

She leaves a son, Jerry Jr., age 10. Her parents are Joseph and Mary Grégor, also of 244 Acton street.

Funeral services will be held this Friday at 11:15 a.m. at Lasswell's Mortuary. Interment will be at Golden Gate National Cemetery.

THE GOOD earth at corner of Edgemont drive and Lincoln avenue in Westlake was soft for Sunday's new $88,000 fire station ground-breaking ceremony. Mayor Edward Dennis and Fire Chief Elmer Kennedy shovel and Councilman Micheal DeBernardi picks as Council Joseph Verducci and Frank Pacelli, City Attorney Paul Hupf, City Engineer Otis Calhoun, Contractor C. J. Collins, and Architect John Gloe witness the historic moment. The boys are the sons of Collins and Gloe. The young ladies are Hupf's daughters, Cathy and Christine. Four months from now the station should be in operation.

BREAK GROUND FOR WESTLAKE FIRE STATION

City officials, the contractor, Fire Chief Elmer Kennedy and architect John Gloe shared groundbreaking chores Sunday morning for the new Daly City fire station to be erected at the corner of Lincoln avenue and Edgemont drive in Westlake Unit 10.

C. J. Collins and Company of San Francisco has 120 working days to complete the structure costing the city $88,318. Kennedy, who said he hopes the station will be ready by next February, said it will be known as Fire Station 5 and will serve residents of Westlake units 10 and 11, St. Francis Heights and the southern part of Westlake in general.

Seven new firemen will be hired next month to bolster Kennedy's department strength and expanded coverage with the new installation.

The fire chief also expects delivery of two new 1250 gallons-per-minute pumper trucks from the Van Pelt firm of Oak-

Ben Franklin Playfields To Cost $50,000

Jefferson Elementary District trustees Monday night authorized Ted Tronoff engineering firm to do the $50,000 job of establishing east and west playfields at Benjamin Franklin School.

Doelger Corporation will be allowed to stockpile dirt (excavated and graded out in the playfield project) on the easterly tip of the old Doelger-owned Ocean Shore Railway property contiguous to the school.

The school board made it emphatically clear that it was not changing its position on the on-again off-again proposed extension of White street from Broadmoor to Westlake, which the stockpiling of dirt by Doelger on the eastern tip of the school site might suggest to some residents of the area.

The school district merely made the dirt stockpiling

City Still Waiting For Callan's Road

The city and school district are still waiting on Callan Company to come through with a final commitment to complete Eastmoor avenue in front of St. Francis Heights.

Acting City Manager Paul Hupf, noting Callan's latest proposal for an assessment district to finance the Eastmoor link—his obligation under a long-standing and long-pressed agreement with the city—today said he was still waiting for Callan's attorneys to initiate the assessment request.

Callan appears ready to follow through on promises made many months back. The road work shouldn't take more than three weeks at most (his portion for realignment is less than a block long.)

Hupf said the city would authorize the assessment district. This involves a sale of bonds. Purchasers of the bonds would have Callan's property as security should the builder fail to repay the cost of putting in the street.

The school district, which has granted the city use of a temporary road on the southwest tip of the nearby school site, has fixed a March 15, 1960, deadline on use of this route. After that date unless Callan realigns the road, residents go-

Salt Isn't Exactly The Right Ingredient

Virginia Welsh of 842 North Mayfair avenue said pranksters poured salt into the gas tanks of her two autos between Tuesday evening and Wednesday morning,

Wanda Hawkins, 21, who resides at the same address, told police the "salting" will cost $90 in repairs.

The sedans were the only cars vandalized in the area, according to police.

BIG TOURNEY ENDS

Daly City's PAL $4500 Richer Thanks To 3545 Sturdy Bowlers

Daly City's first annual Police Athletic League benefit bowling tournament came to a smashing close Saturday night as the pre-announced goal of $4500 appeared a certainty, according to Jim Grealish, manager of Johnny Swanson's plush plant.

Chief Roland Petrocchi said 3545 entrants helped the cause during the long event which started in mid-August.

Winners of the outstanding prizes will be presented their rewards in a massive ceremony on Saturday, October 3, at Westlake Bowl.

Play on the final day was very heavy, according to Bowl statistician Leon Cohn, and helped swell the sum set by PAL to provide funds for uniforms and athletic equipment.

Rollin Bruce maintained his leadership in the men's handicap with 743. Next came Ed Guttke, 736; Mort Owens, 735; Bob Crockford, 732, and Hiro Sentachi, 729. Results of all PAL tourney totals are all un-

NIKITA WAS SPEEDING?

Petrocchi-Khrushchev Talks Fizzle Here

Soviet Premier Nikita Khrushchev spent about two minutes in Daly City Monday afternoon en route to San Francisco after a high-security motorcade trip from San Jose.

Police Chief Roland Petrocchi, informed by builder Henry Doelger that the Soviet boss might stop to inspect Westlake Shopping Center, had his men ready and waiting to lead the tour inside Westlake.

Khrushchev and his lieutenants came north on Junipero Serra, swung west with sirens blaring onto Alemany, quickly buzzed in front of Westlake Shopping Center, then skirted north on Lake Merced towards Stonestown.

Both Doelger and Petrocchi were prepared to greet the Soviet potentate, as were curious bystanders who were attracted by the somewhat unannounced but impressive spectacle.

LAND-USE SURVEY TAKES A POUNDING!

Hospital Harmony Assured

Tuesday night's harmony meeting on the north county hospital drive proved just that at Colma School.

Mayor Edward Dennis of Daly City said agreement was reached to let the mayors of DC, South San Francisco and Pacifica lead the campaign, assisted by the Westlake Physicians Committee and all other groups in gathering facts and establishing procedures for expediting the hospital.

Mayor Andrew Rocca of South San Francisco was named chairman of the mayors' committee. City councilmen of all three communities and representatives of the unincorporated areas will take an active part in the study.

Dennis said Rocca expects to call a meeting within two weeks to review all the facts on the hospital proposals. Federal and state aid, sites, and election projections will be the main considerations.

Fairway Drive $30,000 Damage Claim Resolved

Five damage claims totaling $30,000, filed against Daly City in April last year by five Fairway drive residents because the bank below their backyards eroded away, are about to be resolved, acting City Manager Paul Hupf said today.

A meeting with Lake Merced Golf Club officials and the homeowners this week brought agreement for repairs to the bank on a shared basis.

The problem developed when a drain on the golf course got clogged with silt, water from the hillsides formed into a lake-like pond, and thus the wooden wall holding the bank below the wall slowly slipped and collapsed.

Golf course officials corrected the drainage problem and an agreement has been reached whereby the city and five homeowners will contribute $700 to the estimated $2800 corrective work.

Doelger company, responsible for the wall, will repair the bank with soil from the golf course. The project should take about three weeks if all goes well, Hupf said.

Lieutenant's Job To Conci, Top Inspector

Albert V. "Bruno" Conci, 42-year-old resident of 262 Miriam street, was appointed to lieutenant by Daly City Police Chief Roland Petrocchi this week.

The former sergeant, who joined the force here in October of 1951, will be salaried at $602 a month, or $7224 a year.

Petrocchi termed the appointment "a difficult one due to the caliber of the four men who took the lieutenant exam."

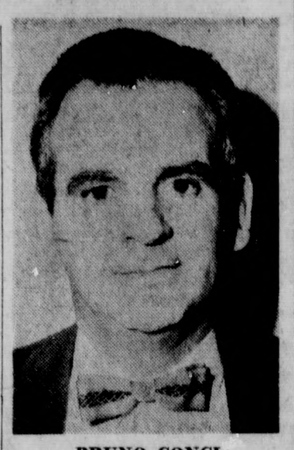
Others in the running for the post were veteran sergeants David Hansen, 33, of 57 Garwood drive; Henry Sundermann, 45, of 570 San Diego avenue, and John D. Walsh, 41, of 50 Northgate avenue.

Hansen, whose duty dates back to April of 1949, finished first on the lieutenant exam. Walsh was next, followed by Conci and Sundermann, in that order.

Walsh has been employed here since June of 1947. Sundermann started in February of 1941.

Petrocchi said Conci would be on duty from 9 p.m. to 5 a.m. as supervising officer.

The appointment gave the Daly City department a staff of six sergeants and four administrative officers. Roy McLaren is assistant chief, Capt.



BRUNO CONCI
. . . promoted

Roy Beecher is next in command, and Conci is fourth highest.

The sergeants are Jerry Galindo, Charles Terry, Marigo J. "Rico" Benedetti, Hansen, Sundermann and Walsh.

Conci, according to Petrocchi, is considered one of the finest investigative officers in the Bay Area. His work as an inspector here, highlighted by a leading role in apprehending the slayer of August Norry, has been consistently outstanding.

THE WOMAN WAS HEROIC

Werner Avenue Home Fire—$6600 Setback

Clarita Melton, 51, awoke Monday at 2:52 a.m. and found her 47 Werner avenue home engulfed in smoke and flames. In rapid order, she awakened her mother and a boarder in the home, then called police, who in turn dispatched firemen to the scene.

Fire Chief Elmer Kennedy praised the woman for her actions and his men for their part in rescuing Jack Griffith, 52, the boarder. Firemen donned gas masks for protection against the dark smoke and found Griffith unconscious on the kitchen floor.

Griffith apparently had been awakened by the homeowner from the couch he was sleeping on and staggered to the kitchen where he fell. Captain Richard May and hoseman Lyle Church rescued him. Oxygen was applied via resusitator for 15 minutes until the M&D Ambulance arrived to take Griffith to the Junipero Serra Hospital. He was transferred to Community Hospital where he was treated for third degree burns on the face and arms.

Police were the first to arrive at the scene. Officer Jeff Wetmore spotted the fire raging through the roof and noticed Mrs. Melton standing on the street near her mother, Mrs. Angi Vidal. The younger woman was whisked into the police car and brought to Junipero Serra Hospital.

She was later transferred to Mary's Help Hospital by Silva Ambulance and is recovering from serious burns on her face

Protests Challenge Adoption

Daly City's proposed Land-Use plan on long-range zoning took another jolt on the whiskers Monday night.

"Final" public hearing on the Land-Use map, kicked around by the council and city planners for many months, failed to be final. Instead, the hearing was continued to October 19.

Only 14 residents attended the session. Councilman Bob St. Clair was absent and Councilman Frank Pacelli arrived 90 minutes after the meet began.

Taking the floor once again to challenge the $12,000 Hahn, Wise & Barber document (city pays $4000 of total) were Doelger engineer Carl Timmons, realtor Ricco Lagomarsino, and Mission street merchants spokesman Ray Charette. Their critical remarks followed a lengthy attack on the Land-Use plan by former DC councilman Sanford Vickers, a locomotive engineer who lives on Abbot avenue.

Vickers cited the omission of rapid transit routes on the Land-Use map. He said Daly City was the lone Peninsula community which lacked rapid transit designations on Land-Use maps. Charette, considerably more outspoken against the survey, said the rapid transit miscue was just one of the many absurdities of the plan.

He charged that Hahn, Wise & Barber were being paid for a virtual "useless" survey, and repeated, as did Lagomarsino, that the planning commission had ignored the protests that were made in earlier hearings and that overall, "adoption of this plan as submitted would handicap the future of Daly City."

Charette said the Land-Use plan would restrict and even

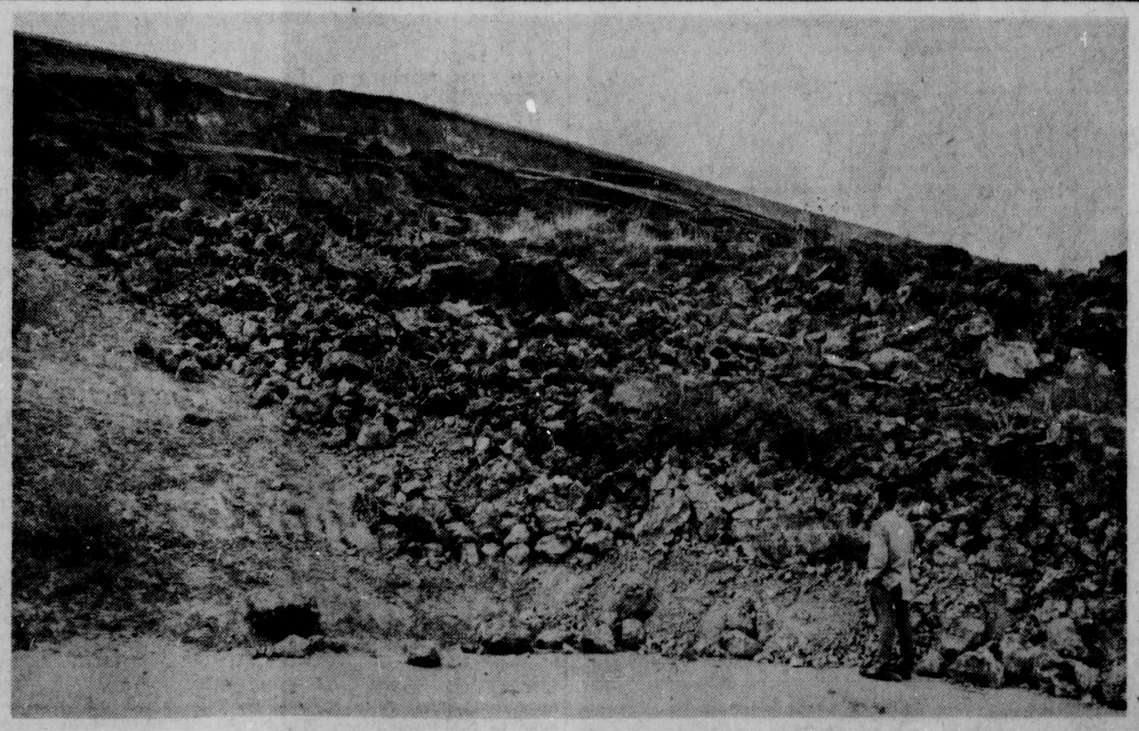
COUNCIL AWAITS PROGRESS REPORT ON MANAGER HUNT

The city council will meet this Thursday night in a special adjourned session and study meet to hear a written report from the State Personnel Board on its progress in attracting applicants for the vacant Daly City manager post.

The council met last night with Garibaldi street representatives and apartment builder Gus Pedemonte to discuss a compromise plan for street facilities in connection with Pedemonte's application for R-3 zoning.

Next Monday night the council will hold its regular public meeting at 8 p.m. at 75 Wellington avenue.



ONLOOKER IS dwarfed by enormity of the "slipped" east bank of Westmoor High School playfield extending to Callan Company's undeveloped 21 acres. Hundreds of tons of earth have tumbled down to the lower level the past two weeks. The district attorney has advised high school trustees to have a soils engineer drill holes to determine cause of the droppage. Adjoining landowners Callan and Zita Corporation will be asked to contribute $2000 each to help the high school district correct the situation. School Supt. Ed Morgan says the soil test project alone will amount to $6000.

Man, 62, Jailed Here--Loitering Near Children

Donald Pagani, principal of Crocker School, notified police last Wednesday when he continually saw a man sitting in a car outside the school at 649 Bellevue avenue.

Officers Charles Munday and Jim Doran questioned the man, Olaf Andersen, alias Pete Andersen, and said he could not give a satisfactory reason for parking there.

Munday recalled that there was a similar complaint against Andersen at a local school a year ago. A verification of police files showed Andersen had been reprimanded and warned on three separate occasions for being near schools.

A check with the San Francisco police revealed Andersen has several arrests for similar acts and also for child molestation, Daly City police said. Katheryn McNeil, who lives near the school at 599 Evergreen avenue, said she had seen Andersen parked in the same

official and subject to a final check.

In men's novice class, Ed Guida came through with a 632 series to top Fred Thompson with a 622.

Two changes developed in the women's handicap division. Pat Bertsch, splattered the pins for a 587 scratch series. Adding her handicap of 90 sticks, Pat wound up one pin behind the leader, Gloria LaStella.

Verle Dillon held onto third spot, although Rose Marie Owens finished with a bold rush for fourth place with 670, three pins behind Verle. In fifth place was Louise Hansen with 653.

The leader in the women's novice division was Bonnie Balcom with 509. Her closest competitor, Peggy DeLaTorre, had 474.

With the tourney concluded, Fred Bertetta, PAL committee chairman, today thanked everyone "who helped make this bowling tournament a success."

and hands which she sustained while attempting to put the fire out.

Chief Kennedy, at the scene of the fire himself, also cited Battalion Fire Chief Frank Specht and fireman Paul Hopkins for their part in dousing the blaze. Hopkins received slight burns on his ears and right hands.

Kennedy estimated damage at $3000 to contents within the house, and $3600 to the structure. The blaze apparently started from a cigarette on either the couch or a chair. Although the whole house was badly scorched, Kennedy said the bulk of the damage was in the living room and kitchen.

Andersen, 62, 610 Mount Vernon avenue, San Francisco, was arrested on a charge of loitering in areas occupied by children. The semi-retired tool and dye maker had his bail set at $1000 cash or $2000 bond.

dale, California. The two trucks cost a total of $38,122. Under the contract of purchase, one truck is to be delivered immediately and the second six months later. But Kennedy says both trucks are ready and needed now. He has asked the council to authorize delivery of the two trucks at the same time.

Fire Station 5, located above Westlake Park, is now known as the Central Station since the facility of Edgemont-Lincoln will be designated as Station 5.

The new station, as designed by Westlake resident Gloe, will be about three-fourths as large as Central Station, Kennedy said.

Car Radio Thief— Are You Listening?

A thief who took a car radio from an auto parked at the Broadmoor Richfield Station, 93 87th street, last Wednesday evening or Thursday morning had better know how to fix appliances.

Owner Donald Smith, 840 87th street, Colma, said the radio was out of order and in need of repairing before it would play. The radio, taken from a 1948 model two door sedan, was valued at $30—when in playing condition.

He's Tuning In For World Series?

A table model radio valued at $10 was taken from the Westlake apartment of Frank Matson, 46 Crestwood drive, between 12 p.m. Friday and 6 a.m. Saturday.

His wife, Nancy, said no other items in the apartment were disturbed, according to the police report.

13 Windows Broken At New Apartments

Thirteen windows were broken last week at an apartment house under construction at the end of Park Manor drive in Westlake.

Damage was estimated at more than $200. Officer William Schumacher said the windows in the inner court were damaged.

Council Still Waiting On Callan Road

(Continued from Page 1)

ing west from St. Francis Heights to Westlake will have no road to travel on—no link from Eastmoor to Westmoor avenue north of the high school.

The pressure actually is on Callan. Zoning of his 21-acre tract east of the high school and west of St. Francis Heights is in jeopardy. The council has recommended that action on Callan's sought R-1, R-3 and C-1 zoning for the 21 acres be withheld until he comes through on the Eastmoor realignment.

The planning commission, asked by the council to set a new hearing date for changing Callan's 21 acres entirely to R-1, last week refused to heed this request. Their failure to act, according to Hupf, constituted agreement (by law) to the council directive.

Hupf said the return in zoning on the 21 acres to R-1 (single homes) was now up to the council. Callan wants three-way zoning for the 21 acres. It is believed his decision on an assessment district to complete Eastmoor (the council insists he must pay all the costs) was made because Callan knows his 21-acre zoning would be delayed indefinitely by the council.

Jeff Elementary School trustees Monday night again cited the dangerous condition of the temporary route, asking the city to take immediate corrective measures on motion of Frank Verducci.

Last week's storm flooded the unpaved route and only a volunteer effort by contractor Buzz Haskins (at 2 a.m. Friday morning) smoothed out the muddy mess and made the route passable again.

The school board ordered a letter of commendation to Haskins for his public spirited endeavor.

The city has agreed to pave the temporary route on the school site, with funds supplied by the school district. Zita Corporation and school officials are worried about the possibility of serious drainage problems come the rainy season. McKeon has agreed to install storm drains on his property fronting Eastmoor. The McKeon firm has long been ready to handle its share of the Eastmoor realignment, but the council thinks the job should be done all at once—hinging on Callan's long overdue commitment to do his share.

Job's Daughters Mothers Meeting

The first regular meeting since vacation of the Mothers Club of Bethel 94, International Order of Job's Daughters, will be held next Monday, September 28, at First United Presbyterian Church, 34th avenue and Sloat boulevard, starting at 8 p.m. in the fireside room. Refreshments will be served.

GRACE CHURCH SMORGASBORD SET OCTOBER 8

Women of Esther Circle, Grace Presbyterian Church, announced today that adult $1.50 and children's 75c tickets may be obtained from the church, 300 Crocker avenue, for the smorgasbord dinner to be held October 8 between 5:30 and 7 p.m.

The menu will include ham, Swedish meat balls, hot dishes, relishes and desserts.

GUARDSMAN LOSES REVOLVER HERE IN CAR BURGLARY

Kurby L. Stevenson, 20, reported to police that a two-inch revolver was stolen from his glove compartment last Thursday evening while he was attending a National Guard meeting here at the Armory on Market street.

Stevenson, 221 San Anselmo street, San Bruno, said the revolver was a .22 caliber, short-barrelled gun in a leather holster and valued at $10.

The welder said he returned from the meeting at 11:20 p.m. to his unlocked car. He noticed grease and scratches on the locked glove compartment. Since the Guardsmen were cleaning weapons that night, police indicated one of them may be implicated.

Early Hours Busy For City Firemen

Daly City firemen hustled from one emergency to another early Monday morning.

Right on the heels of the $6600 loss home fire at 47 Werner avenue, firemen responded at 3:50 a.m. to 845 Crocker avenue where they found a 1959 Renault auto ablaze in front of the residence. Chief Frank Specht said an estimated $900 damage was done to the foreign car. The cause of the fire was not determined.

The Renault was registered to L. Vickerts of 52 Teddy street, San Francisco.

agreement with Doelger and extended the contract to Tronoff, who also serves as a Doelger engineer, as a means of saving considerable money on the playfield project.

The White street extension is in no way involved, according to the board of trustees.

Asst. Supt. David Shapiro of the school district said the $50,000 for the Franklin playfields was budgeted two years ago. Tronoff has four months to complete the job, which includes providing fill for leveling off the areas, installing sprinkler systems and turfing, and handling all water.

In other business, the board:

1. Declared that the house at 1659 Sweetwood drive be designated as having a value of less than $200 in order that the district would not have to pay for demolition. The superintendent said the house is 34-feet wide and most lots in Daly City are 33 feet wide. In addition, the 35-foot wide streets could cause a prospective buyer trouble. For this reason he said that no bids were submitted to the administration by interested purchasers.

2. Received only one bid for the soils erosion control at Vista Mar and authorized the administration to readvertise in order to have a bonafide bid.

3. Allowed the administration to extend the two-year contract with Temple Judea for the use of school facilities. Temple Judea has been paying $140 per month for two hours use of Westlake School each Sunday. The administrators were authorized to extend the time element.

4. Purchased a coin counting machine at a cost of $595 plus sales tax.

5. Awarded the heating contract to Atlas Heating and Ventilating Company at a rate of $1995 for the 1959-60 year.

7. Hired two of the three additional teachers needed. Mrs. Barbara Jones Schustak, who attended both San Francisco State and University of California and has three years experience, to teach kindergarten at Woodrow Wilson and Jefferson. Mrs. Violet Norsworthy, graduate of San Jose State who has taught seven years, to teach fifth grade at Crocker. Supt. Foster is screening applicants for the eighth grade position at Ben Franklin.

8. Authorized the administration to proceed with arrangements for a brochure to be given to prospective teachers. Foster said the price range will be approximately $600 for more than 3000 copies.

9. Gave the two assistant superintendents, Dr. David Shapiro and Dr. Vinton Stratton, a flat $100 per month for expenses incurred within the Bay Area and on a mileage basis with expenses outside of the surrounding area.

10. Employed Frank Teeter on a full time basis as a painter and increased the custodial staff by two persons by authorizing the administration to hire one full time custodian and two part time custodians for a four-hour night shift at Garden Village and Westlake schools.

Lots Of Blazes

Daly City's fire department may have had their busiest three-days-ever this week.

Besides the destructive Werner avenue blaze, an abandoned house on the North-east corner of Gambetta street and Wyandotte avenue and a basement at 328 San Diego avenue both received fire department attention.

Eighteen firemen struggled with the abandoned house, which was to be torn down, before halting its flames. Fifteen to twenty percent of the house was burned at 9:30 a.m. Tuesday. Fire Chief Elmer Kennedy ordered an investigation to see if arson was perpetrated. Battalion Fire Chief Wayne Alexander said the old residence belongs to Callan Corporation.

Damage estimated at $5000 was done to the home of Peter and Dorothy Negrone, 328 San Monday. The fire started in the basement, apparently from left-over rug ends stored there, according to Kennedy.

The five Negrone children were ushered out of the house before firemen arrived. The three boys and two girls watched as Kennedy, Alexander, Ed Cook, John Roy and Rich Merlo tamed the blaze.

Fall Down Steps Injures Hillside Boulevard Woman

Frances E. Fanucchi, 44, of 451 Hillside boulevard, suffered an injury to her left leg when she slipped and fell down steps in a building at 6767 Mission street last Friday.

Reporting officer John Coleman said Mrs. Fannucchi was taken to Junipero Serra Hospital by MD Ambulance.

Land-Use Plan Protests Block Its Adoption

(Continued from Page 1)

"kill off" the Mission street commercial district. He also charged that urban renewal in the older area of town west of San Jose avenue and east of Junipero Serra would be better than redevelopment as posed by the survey.

Lagomarsino verbally doubted that Hahn, Wise & Barber had seen some of the property it had recommended for changed zoning in the future.

"I think the whole plan should be sent back and we should start all over again," he declared.

Timmons, Doelger's chief engineer, reiterated his firm's opposition to the "liberal" designation of many park sites and a change in zoning on Junipero Serra in the Knowles-Alemany area.

On the park sites, Timmons said he thought it unwise to pinpoint so many since the city probably wouldn't have adequate funds to buy and develop the suggested parks and that designating park site too far in advance would cause "ill feeling" with the major landowners.

Councilmen Micheal DeBernardi pointed out that the Land-Use plan was primarily a "starting point" in long-range planning, reminding Vickers that the transportation phase of the Hahn, Wise and Barber survey was forthcoming and would be weighed and its results would be incorporated into the Land-Use map, fitting the various parts of the survey together as whole.

As for the lack of adjustments on the Land-Use plan, charged by Charette and Lagomarsino, DeBernardi suggested that all challenges on the map be put down in writing by the protestants and submitted to the council, so that the latter body could weigh the entire picture.

Mayor Edward Dennis and Acting City Manager Paul Hupf agreed that this was a good idea, and also backed DeBernardi's suggestion that a series of hearings should be held on the Land-Use plan, broken up by districts of the city. At each of these meets, residents of the affected area would be asked to present their reactions to the recommended zoning.

Public Works Director Otis Calhoun was directed by Hupf to issue maps of the adjusted Land-Use plan to all those who are contesting it. The protestants will take the maps and mark on them the areas they challenge and what they would recommend.

Answering Lagomarsino's remark that Hahn, Wise & Barber were "practically through with us," Hupf said he thought it was not unreasonable for the city to demand that representatives of the firm be present for future hearings.

The firm, which under its contract said it "ended" its required number of public hearing appearances here, has asked the city for a fee of $16 an hour to send a representative to additional hearings. Hupf believes this charge is not warranted.

Hupf said he thought a "fresh start" on the Land-Use plan was a sound approach in view of the confusion and challenges to the survey.

The council ended Monday's session by continuing the hearing to the night of October 19, at which time the planning commission will be invited to discuss the survey with the council and again hear the protests and review the mapped changes asked by the landowners.

New Home Loses Pane Of Glass

A five-foot pane of glass valued at $35 was stolen from a house under construction on Higate avenue sometime between Wednesday evening and Thursday morning.

Victor A. Zangrando, foreman for Frentron Industries of Sunnyvale, reported to police that the glass was taken from the Doelger home in Westlake.

Junior Woman's Club To Hear Home Decorator

The Westlake Jr. Woman's Club will launch the new club year this Thursday evening, September 24, with a program by the well-known decorator, Grant Habel, of Sterling Furniture Company.

Habel will give a short talk on style and design. He will then answer questions of the group.

The meet will be held at the home of Mrs. R. C. Anderson, PL 6-8308, 215 Lincoln Way in Westlake Unit 10.

The Jr. Woman's Club, formed last May and current membership of 15 ladies, is devoted to public service projects and charitable work. Westlake women wishing to join should call Mrs. Anderson.

Auto Sideswiped, Person At Fault Takes A Powder

James McCarthy told police sergeant Henry Sundermann that a car bearing an out-of-state license plate sideswiped his car and sped away Saturday afternoon.

McCarthy, 468 Santa Barbara avenue, reported that the 1957 grey-colored auto sideswiped the side of his vehicle, parked in front of 531 Hillside boulevard, while he was visiting friends. One of McCarthy's friends took out after the car but lost sight of it.

DC Firemen Revive Price Street Man

Lloyd E. Tucker, 53, of 32 Price street, was treated at Junipero Serra Hospital Sunday evening after he suffered a stroke.

He was transferred to the Doctor's Hospital in San Francisco under the orders of his physician.

Otha Mae Middleton, his sister, found him on the bed and couldn't awaken him. Firemen and police arrived at the scene. He was given oxygen by the fire department and then transported to the hospital by MD Ambulance.

OBITUARY

WILLIAM WESTON

Funeral services will be conducted at Lasswell's Mortuary at 11 a.m. this Thursday for William Weston, 35 Beta avenue, who died Monday.

Survived by his wife, Ann L. Weston, he was a charter member of Colma-Vista Grande Aerie 1848 F.O.E. He was a shipping clerk for the Zellerbach paper company, holding that position for 43 years.

Interment is at Olivet Memorial Park. The Eagles held rites for the native New Yorker last night.

Slashes Wrist In Suicide Try

A Daly City woman attempted suicide by slashing her left wrist Saturday evening when her husband allegedly hid her sleeping pills.

Mrs. Elsie Gardner, 46, 28 Woodrow street, was found in her bedroom, her husband holding a washcloth to her left wrist, by officer Richard Sims after the police department received a call from Lawrence Keen, brother of the woman who was staying at the house.

She had lost a moderate amount of blood and a pressure bandage was applied to stem the bleeding. She told Sims her husband had hid her sleeping pills and she was unable to find them so she slashed her wrist with a razor blade.

Mrs. Gardner was taken to Junipero Serra Hospital where a 72-hour hold was placed on her.

Los Olivos Avenue Woman, 78, Hurt In Fall At Home

An elderly Daly City woman required emergency hospital attention last Wednesday after she accidentally slipped and fell on the floor at her home.

M & D Ambulance, contacted by Officer Richard Sims, took the victim, Mary McLeod, 78, of 144 Los Olivos avenue, to Junipero Serra Hospital. The mishap resulted in a laceration on the back of her head.

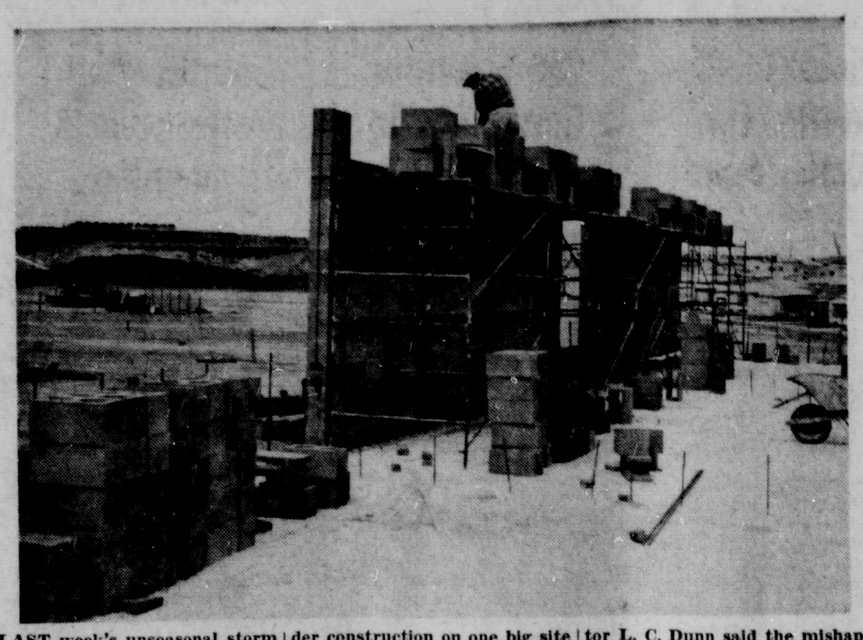
A MATTER OF COMMUNITY PRIDE

Saturday's final competition in the first annual Police Athletic League bowling tournament ended a splendid community effort.

The tourney, hosted by Bowl owner Johnny Swanson and conducted smoothly by Bowl manager Jim Sealish, brought more than $4000 to a sagging PAL treasury.

This shot in the arm—allowing PAL to survive and continue its many healthy activities for Daly City youngsters—is a tribute to citizens and merchants who worked together to make the tourney no less than outstanding.

Its success here is worth boasting. PAL and its hundreds of kids are indeed grateful.



LAST week's unseasonal storm (late Thursday) did an estimated $5000 damage to above walls of Abe Lincoln and Thomas Edison elementary schools, under construction on one big site in Westlake Unit 10 southwest of Westmoor High. Photo was taken a few hours before some of the walls tumbled. Contractor L. C. Dunn said the mishap wouldn't delay the scheduled completion date of the schools —February 14 next year.

Don't Be Misled By 'Censorship' Cries Of Filth Merchants, Warns Postmaster Murphy Of Daly City

Obscenity dealers who mail filthy material to minor children are attempting to evade the Post Office Department's drive to stamp out their rackets by raising cries of "censorship" "freedom of speech," and "civil liberties," Postmaster Vincent P. Murphy of Daly City reports.

He said today that these racketeers, reacting to the department's all-out war on them, are increasing their efforts to make use of "every loophole and trick they can find in the book to avoid punishment in the face of an increasingly aroused public."

In a recent report, Postmaster General Arthur B. Summerfield observed that lawyers retained by the dealers in obscenity "make a practice of hamstringing, delaying and confusing action until their clients often have gone free or received only small prison terms or fines."

"They are experts," the Postmaster General emphasized, "at raising wounded cries about 'censorship,' 'freedom of the press,' and 'civil liberties.' And all too often, they are able to find willing pawns to take up their cry and carry on their slimy battle for them."

The Post Office Department has appealed to the American public to recognize this "as the utter nonsense it is," pointing out that our society has many legal provisions aimed at protecting minor children from corrupting influences.

"It has been noted many times in testimony before Congress, and in public statements," Postmaster Murphy said, "that we have laws setting a minimum age for buying alcoholic beverages; we forbid traffic in narcotics, and attach severe penalties when it involves minor children; and we set minimum ages at which children are permitted to drive automobiles.

"Do these have anything to do with civil liberties, censorship, or freedom of the press? Of course they do not — no more so than does the protection of our children from the poison of obscene literature."

Fortunately, Murphy reported, the nation's press and American parents generally are "recognizing this smoke screen as sheer hypocrisy."

Postmaster Murphy warned all parents not to be misled by these appeals set up by the racketeers who profit in the corruption of youth and often echoed by their deluded pawns.

He urged every parent to gather evidence of such material when it is mailed to their children, and to turn it over to him, with the covering envelope, so that the Post Office Department can intensify its cooperation with courts and law enforcement officers in the nationwide assault on this racket.

EDUCATORS ON PANEL AT NEXT ROTARY MEET

"Ladies Day" at Daly City Rotary Club next Wednesday, September 30, will feature a panel of educators speaking on the status of public and private schools.

The Rev. Allen Downey, program chairman, will present as panelists Ed Morgan, superintendent of the Jefferson Union High School District; Vinton Stratton, director of instruction for the Jefferson Elementary School District; and a representative of a parochial school.

The program will end with a question and answer period. Wives of Rotarians will be in attendance at the luncheon session, to be held at Westlake Bowl, the Rotary's new meeting place.

Finemaster for the day will be Don Davis.

Guest speaker at today's Rotary meeting is William F. Murray, chief of the San Francisco fire department, who will speak on his duties and emphasize the importance of the forthcoming National Fire Prevention Week (October 4-10).

Presenting Murray will be program chairman Stan Sugarman. Julian Cohn is finemaster, while Al Storer will present a craft talk.

MOTHERS' MILK BANK SUPPLY IS DWINDLING

Mothers with surplus breast milk were appealed to today for donations by the Mothers Milk Bank, Inc., of San Francisco.

The Milk Bank's supply is less than 2500 ounces, which is dangerously low if there should be a demand for milk for premature or sick babies in any quantity.

Mothers with surplus breast milk are paid for their milk, but it is supplied free to any baby on a doctor's prescription, and it would be heartbreaking to refuse any child desperately needing food.

Mrs. Ferdinand J. Fernbach, president of the Milk Bank, said mothers who would like to donate their milk should contact the Bank at 3801 Sacramento street, San Francisco, or phone SK 2-1970.

George Spoulos, William Pfeiffer Army Trainees

Two former Jefferson High students of Daly City are recruits at the basic infantry training center at Fort Ord.

George T. Spoulos Jr. and William D. Pfeiffer are privates at the California center.

Spoulos, 23, son of Mr. and Mrs. George Spoulos Sr., 326 Winchester street, entered the army on August 27. He graduated from Jeff in 1954 and his civilian occupation was a pipefitter for Pacific Gas and Electric Company in Colma.

Pfeiffer, 18, son of Mr. and Mrs. William Pfeiffer, 30 Goethe street, joined the army on September 1 after graduating from Jeff last June.

The first American power loom for weaving check and plaid goods was patented in August, 1828.

Resists Police, Jefferson High Rowdy Jailed

A 16-year-old Jefferson High School junior was asked to "drop out" of the Do-Drop In by police and when he resisted was transported to Hillcrest Juvenile Detention Home last week.

Sergeant Jack D. Walsh responded to a call on the report of a gang fight in front of Jeff High last Thursday at 3:30 p.m. When he arrived 40 to 50 boys and girls were congregated. Walsh ordered them to disperse. They started away slowly, many of them entering the creamery.

Those not being served were asked to leave. The student, on probation, said he was waiting for a coke. Upon being assisted out he became belligerent and force was necessary to remove him, according to the police report.

He was handcuffed and transported to the police station by police car. His probation officer was notified and arrangements were made for his transfer to Hillcrest.

The boy was charged with failure to disperse on the order of a police officer.

Arson Suspected In St. Francis $1500 Home Fire

Arson was suspected in the weekend blaze that did an estimated $1500 damage to a new St. Francis Heights home at the corner of Southgate avenue and Cerro drive over the weekend.

Fire Chief Elmer Kennedy said his men were notified at 8:30 a.m. Monday by Thomas E. Munson, McKeon Construction Company superintendent. The blaze, which apparently was set in the kitchen, fortunately burned itself out long before it was reported or complete loss of the new residence would have resulted.

Many juveniles had been seen earlier in the unoccupied new homes of the neighborhood, prompting Kennedy to suspect that small boys "playing with matches" were responsible.

Fire Bttn. Chief Wayne Alexander said the home's kitchen cabinets were badly charred, woodwork was warped, and that interior paint throughout was seared and marked by the flames and smoke.

United Crusade-supported psychiatric clinics in San Francisco had to lengthen their waiting periods for care to several months last year because the Crusade fell short of its goal.

Beta Avenue Man, 76, Dies At Home

William Weston, 76, of 35 Beta avenue, was pronounced dead-on-arrival at Junipero Serra Hospital Monday afternoon, apparently from a heart attack.

Officer John Coleman responded and found Weston lying on the roof of a shed in the rear of a house. He said there were no visible signs of the man breathing nor did he find a pulse beat. M&D Ambulance took the victim to the hospital.

Salvation Army Seeks Clothing

With the coming of the fall season and the beginning of school days there is always an urgent need for children's clothes in Salvation Army Thrift Shops.

Captain George Duplain, manager of the local center, says that many families look daily for just the right size coats and jackets for their children. If you have any children's clothing stored in your home which could be put to good use by others, a Red Shield truck will gladly call for them.

The Town Record

By ROY HURLBERT

We have it on excellent authority the reason Soviet Mighty Mite Khrushchev didn't stop in Daly City last Monday was because he was afraid rumors would spread that he was interested in the vacant city manager's post.

"Final" land-use hearing before the DC Council this week resulted in another continuance so that protesting landowners (most of them with considerable amounts) would have more time to portray in maps the areas they would like to have changed in contrast to the zoning recommended by the survey firm of Hahn, Wise and Barber.

The full council seems to be of the opinion, though it's embrassing to admit, that Hahn, Wise and Barber's job here wasn't too satisfactory. It has cost the city $4000 thus far.

* * *

When the city planning commission approved the Land-Use map for council ratification, only three members of the commission were present.

And at Monday's supposedly important final hearing before the council, Councilman Bob St. Clair failed to show up and Councilman Frank Pacelli arrived some 90 minutes after the hearing opened.

Result is that the council intends to meet with the planners and protesting citizens so that all parties will know exactly what they are talking about. Better attendance would be appreciated.

* * *

City Attorney Paul Hupf, methodically cleaning up some long-neglected city business, isn't one iota interested in becoming a city manager—here or in Utopia.

Paul made this point emphatically clear last week in addressing and impressing the Chamber of Commerce.

Hupf said that "any city with a population of almost 40,000 of necessity must have good and practical management."

"If the council fails to get a professional man for city manager, Daly City's promising future will be handicapped."

Hupf is content to be an attorney. Politics is the farthest thing from his mind. But he appreciates good government.

Charlie Machinot, former city dogcatcher (no joke) and father of five lovely daughters, reminds that police dispatcher duty is no soft touch.

The 36-year-old swing-shift worker (4 p.m. to midnight) got 58 phone calls Sunday evening. Graveyard dispatcher Jack Gallagher had 12 calls from midnight to 8 p.m. and Officer Jim Welsh had 63 calls Monday from 8 in the morn to 4.

Round the clock, that's 133 calls to police from citizens in a 24-hour period.

No one sits idle at headquarters!

For those who may not know — city councilmen here, all but the mayor, get $50 a month in municipal salaries. The mayor is accorded an extra $25. This makes the competition for mayor more intense?

* * *

Monthly payroll for DC's municipal employees is in the hefty neighborhood of $80,000 and doesn't include wages of part-time workers. Salaries are the biggest factors in cities' budgets.

Public Works Director (city engineer) Otis Truman Calhoun is all thumbs, and it's no longer a secret.

Calhoun's righthand digit is bandaged like the farmer's face after the country boy shaved with the blade of an axe.

Otis says his four-year-old nephew playfully bit him three weeks ago in Los Angeles.

Infection set in.

The story is told. Please don't make Calhoun recite it the 99th time.

Abbot avenue's Sanford "Sam" Vickers, ex-city councilman and ready again for the '60 race, was at the throttle of the SP locomotive which led Comrade K's trip north from San Luis Obispo last Sunday.

Vickers is getting to be an old pro as far as escorting big wigs is concerned. In '49, Sam was the engineer on the train carrying Harry S. Truman on a barnstorming trip through California.

Dorothy I. Duncan, proficient secretary of Jefferson High School District, wasn't trying to flatter her boss, Ed Morgan, when she bought her new foreign car.

The little auto is a "Morgan" by name. A British import.

PAL Director's Annual Meeting Due Next Week

Daly City's Police Athletic League Board of Directors will hold their annual meeting at 7:15 p.m. on Thursday, October 1, at War Memorial Community Center, according to President John Coleman.

Coleman noted that all interested parties are invited to the reorganization meeting along with the 150 - member board of directors.

The board will outline PAL activities for the coming year and set up committees.

Coleman said fifth through eighth graders may sign up for the touch football league at 11 a.m. at Marchbanks Park Saturday.

Other activities mentioned by Coleman are a drill team and the beginning of boxing matches next month.

Boys interested in participating on the drill team can sign up at the police station, 75 Wellington avenue, Coleman said.

The first boxing matches are to be held October 28 at Jeff High School.

MARINER GIRL SCOUTS SLATE COLMA MEETING

Mrs. Margaret Damon's Ship 13 for the Mariner Girl Scouts of the Daly City-Colma area will have their first meeting on October 6 at 7 p.m. in Colma Community Center.

The meetings take place on the first and third Tuesdays of each month. National registration fee of $1 will be accepted then along with 50c for the October 17-18 Gam at Searsville lake.

Most of the evening's discussion will center around plans for the Gam, or skills day. A "gam" is a school of whales. In ancient times when whaling ships went out on the ocean, they would tie up and test skills in things nautical. This is how the idea originated. The Girl Scouts get together and test their skills.

Balboa High Grads, Spring Of 1939, Schedule Reunion

The Spring of 1939 graduation class of San Francisco's Balboa High School has scheduled a 20th year reunion party for Saturday evening, October 24, in the Gold Room of Sheraton Palace hotel.

Reservations may be made by phone or letter to the reunion chairman, Mrs. L. M. Disernia, 150 Sylvan drive, San Francisco, VA 4-4044. Deadline for reservations is October 15, she said.

The United Bay Area Crusade is completely "home-owned." 50,000 solicitors, your neighbors, man the campaign.

FIRE Chief William F. Murray of San Francisco addressed the Rotary Club of Daly City Wednesday noon at Westlake Bowl.

Foster Reports 7302 Students In Elementaries

As of last Friday, Superintendent Richard Foster said there were 7302 students attending Jefferson District's 13 elementary schools. This is a 677 increase in pupils over last year.

There are 53 new teachers, drawing an average salary of $5300. Longest in point of service is Mrs. Elsa White with 14 years. She received her degrees at University of Colorado and San Francisco State.

Most of the new teachers come from San Francisco State, with 19 graduates of that school teaching here. Following were University of California with 6 and San Jose State with 3.

The average years of teaching experience is 2.9. Forty-six of the new teachers have A.B. degrees, 10 B.S., two M.A., and one M.S.

'Great' Delbon Of Jeff High Trains At Ord

Donald A. Delbon, Northern California basketball player of the year in 1954 at Daly City's Jeff High, has enlisted in the army and is training at Fort Ord.

His coach, Mike Orlich, said he was "the greatest basketballer in Jeff high history."

Delbon, 23, of 2362 43rd avenue, San Francisco, is the son of Mr. and Mrs. Walden H. Delbon, 265 Klamath street, Brisbane. His wife's name is Barbara.

After his army stint he will join the Jeff High teaching staff. He attended both the University of Oregon and San Francisco State. Delbon was a recreation director and member of Sigma Chi Farternity.

VALUABLE INSTRUCTION

If Your Evenings Are Free Why Not Enroll In Jeff Adult School?

The Jefferson Adult school opened its doors last week to a record overflow crowd. Classes in Driver Education at Westmoor, Mosaics at Jefferson, Woodshop and Auto Shop at Westmoor and many sewing classes are rapidly reaching full capacity, Director Louis Martin indicated today.

Because public response has been heavy, four additional classes will be offered at Westmoor High School in Posture and Exercise (Slim Trim) on Tuesdays 7:30-8:30 p.m. in the Gym. All levels of Typing will be offered on Wednesdays 7-10 p.m. in Room 3. A class in Shorthand will be offered on Thursdays 7-10 p.m. in Room 6. And for students who are interested in Art, a class featuring Ceramics, Jewelery and Sculpture will be taught on Thursdays, 7-10 p.m. at West-High School. Mr. Nissen is the instructor.

A special day class in Sewing will start on September 28. 1-4 p.m. in Room A of the War Memorial Community Center located in Mission and Alp streets, Daly City. This Sewing class will feature construction of children's clothing. Included in the course will be guidance in choice of patterns suitable for children, choice of fabrics, with emphasis on durability and practicability of the finished garment. The class will be equipped with six new machines and a number of cutting tables. Registration will take place at the first meeting of the class. Those interested in beginning dressmaking may also enter the course and if the demand is sufficient, a separate class in the morning from 9-12 will be started.

On the Jefferson High School campus space is still available in Driver Education on Monday and Wednesday; Ceramics on Wednesday; Mechanical Drawing and Blueprint Reading, Thursdays; all levels of Typing, Wednesdays 7-10 p.m.; Woodshop, Thursdays; Posture and Exercise, (Slim Trim) on Wednesdays and Photography on Thursdays.

Those interested in earning credit toward a high school diploma should consult with Director Martin not later than next week in order to be programmed into classes carrying high school credit. Classes for credit are offered on the Jefferson high school campus in Civics on Thursday, 7-10 p.m.; Algebra, Trig, and all levels of Functional Mathematics on Wednesdays; General Science on Mondays and English Literature on Tuesdays and Thursdays.

For more information regarding the diploma program, call PL 5-1162, or drop in and see Martin at the Jefferson High School office located on Mission street. Office hours are between 7-9 p.m., Mondays through Thursdays.

Swimming classes open to both men and women are slated for September 23 at the Jefferson High School Pool from 6:30-7:30 p.m. Adults will be placed in small classes according to ability. This course is extremely popular, so come early for registration. A fee of $3 is charged for five lessons.

In answer to may requests for Behind-theWheel Driving, classes will start as soon as the 1960 model Chevrolets and Fords are available to the dealers. Pre-registration is necessary and may be done by calling PL 5-1162. Three special courses will be available. Beginning Driving, Advanced Driving and Parking lessons. Rick Warne, driver training expert, is in charge of the driving program.

Brochures explaining the entire program are available on request by calling PL 5-1162.

Westlake Congregation

DR. LEONARD BECK TO DIRECT JUDEA HIGH HOLY DAYS CHOIR

A capacity attendance for the High Holy Day Services of Congregation Judea is anticipated. For this reason everyone is urged to make arrangements for seating in order to avoid disappointment. The services promise to be outstanding this year with Rabbi Reichert and Canter Wachter officiating. An augmented professional choir under the direction of Dr. Leonard Beck and members of the San Francisco Symphony will enrich the traditional music of the Holy Day services.

Special children's services will be held at the Temple House on Yom Kippur. Children of the Religious and Hebrew School will participate.

Although the new term of the Congregation Judea Religious School has begun, enrollment is still accepted. Anyone who has not as yet registered should do so immediately by telephoning the Temple Office or bringing children to the Religious School Office on Sunday morning. Religious School meets at Westlake Elementary School, Lake Vista and Fieldcrest drives, Daly City.

Hebrew School classes began Monday with children being assigned to either the Beginning, Intermediate or Advanced Classes. These classes are devoted to teaching the Hebrew language and includes preparation for Bar Mitzvah. All children 9 years of age and over are eligible for enrollment. Please telephone the Temple Office to make necessary arrangements or have your child report to the Temple House at 4 o'clock on Monday.

Last Sunday the Men's Club, under the chairmanship of John Butler assisted by Charles Wine and Neil Fox, reactivated the Sunday morning breakfast program. These breakfast will be held every Sunday morning at 10 o'clock. Fathers and mothers are invited to attend after bringing their children to Religious School. A charge of 50 cents per breakfast will be made to cover expenses.

The Temple youth group, JOY, had a successful Sadie Hawkins Dance last Saturday night in the Temple House. JOY is composed of children of members of the area as well as the Peninsula. All parents of teenagers are encouraged to have their children participate in this rapidly growing youth group.

Last week Congregation Judea was the recipient of a magnificent new Conn organ. This instrument is largely the gift of I. W. Hellman, president of the Wells Fargo Bank and a close friend of Rabbi Irving F. Reichert. Others wso contributed to the purchase were Marcus Glaser and the Men's Club of the congregation. The organ will replace the piano which has been used since the congregation was organized. Upon completion of the synagogue on Brotherhood Way, the organ will be moved there to a permanent location.

The Sisterhood of Congregation Judea is actively engaged in collecting saleable items for their Rummage Sale to be held at Larkin Hall on December 7. Anyone who has any items is urged to call Mrs. Robert Hoffman, president, at LO 6-3463; Mrs. Albert Zipser, ways and means chairman, JU 7-3878, or Mrs. Charles Becker, rummage sale chairman, PL 5-1513.

15 Newcomers In Westlake Hadassah Unit

Fifteen new members will be introduced to the general membership at the opening meeting of Westlake Group of Hadassah, this Thursday, September 24, noon, at the War Memorial building, 144 Hillside boulevard, Daly City, according to Mrs. Warren Bauer, president.

The new members are: Mrs. Sidney Allerhand, Mrs. Marvin Boyd, Mrs. Myron Jacobson, Mrs. Basil Spring, Mrs. Henry Sommer, Mrs. Stanley Jonah, Mrs. Stanley Pulos, Mrs. Kenneth Lorber, Mrs. Alfred Bercovich, Mrs. Morry Wohl, Mrs. Aaron Hirsch, Mrs. Leonard Krauss, Mrs. Phil Ruttenberg, Mrs. Richard Asher, and Mrs. Stanley Fisher.

Mrs. Barry Wyner, program chairman, plans a very interesting afternoon. Luncheon will be served at 75 cents per person.

An educational movie, "It Could Happen To You," will be shown. Mrs. Henry Shernock, Mrs. Lloyd Levitin, Mrs. Marvin Boyd, and Mrs. Victor Keyak, will participate in a skit, entitled "Do's and Don'ts In Educating A Hadassah Husband."

Mrs. Bauer also advises that the War Memorial building is a new meeting place for Westlake Hadassah. This will be the regular meeting place for the coming year. Ample offstreet parking is available, also baby sitter service for interested members. Telephone Mrs. Bauer, PL 6-0877, for additional information.

All members and any interested residents of the Westlake-Daly City area are invited to attend.

Sharp Park PTA Opens Activities

Sharp Park PTA executive board held its first meeting of the season Thursday evening last week. President Mrs. James McDavid introduced Principal Bernard Barrish and Assistant Principal Roy Carver. Barrish and Carver conveyed their appreciation and that of the teachers for the festive and colorful "Teachers Brunch" held during the previous week. Appreciation was also mentioned for the red apple presented each teacher on the first day of school.

Membership Chairman Mrs. Alfred Boreni announced that Sharp Park PTA dues will be $1 per person and $1.50 per couple in accord with revised by-laws of 1958.

Mrs. McDavid informed the board that the first Sharp Park PTA meeting of the school year will be Thursday, September 24 at 8 p.m. in the Sharp Park school multi-purpose room.

Mrs. James Buchanan, carnival chairman, gave a preliminary report. The fifth annual carnival will be held at the Sharp Park school from 4 to 9 o'clock on Saturday, October 24.

'Confession' Is Sermon Subject At B'nai Israel

At Friday evening services on September 25, Rabbi Solomon A. Shore of Congregation B'nai Israel will speak on the topic "Confession in the Jewish Faith." Services begin at 8 p.m. and are followed by Onneg Sabbath. Hostesses this week will be Mrs. Leon Benson and Mrs. Henry Fuhs.

Paul Lichtman, president of the congregation, announces that the synagogue at 67 Los Banos avenue will be open daily from 10 a.m. until noon between now and the High Holidays for membership information and the purchase of tickets. Jewish New Year services this year will again be held at the Daly City War Memorial building.

Registration for Sunday and Hebrew school is still open. All children age 5 and up are eligible to attend Sunday school. Hebrew school is open to all children from 9 years of age and up.

Beginners in Hebrew school will have their own class every Wednesday afternoon from 4 to 5:30 p.m. Advanced pupils will attend on Tuesdays and Thursdays from 4 to 5:30 p.m. Rabbi Shore is the principal of the Hebrew school and a member of the Jewish Board of Education.

For information on membership, High Holiday tickets or Sunday and Hebrew school, telephone the congregation secretary, PL 6-2039.

ONLY one of a kind, but which one is it going to be? That's the question that is being raised by Pat Strasser left), Miss Daly City, and Sherrill Smith, Miss San Francisco. They point out the fact that there is only one Social Security card to each person, and if you have lost yours or never had one, you can get an application for it at the San Francisco International Airport this Sunday, September 27. That day will be "Aviation Day," sponsored by the San Francisco Junior Chamber of Commerce as the final highlight of the Pacific Festival. The public is invited to the airport to see static displays of various types of commercial, military and executive aircraft, highlighted by flyovers of Navy F8U's, Airforce F-104's, and an in-flight fueling demonstration by a KC-135 and a B-52.

17TH DISTRICT OF PTA SETS WORKSHOPS

Education and fellowship will be combined this Thursday as the 17th District CCPT holds training workshops for a quintet of chairmen.

Called a "School of Information," training sessions encompassing Parent-Teacher Association procedures, policies and techniques will be conducted by district personnel.

Attendees will be the representatives of the 140 local PTA units which compose the 17th District, all persons who will be serving their school's child welfare groups during the current school year.

The workshop will be held at the Burlingame Methodist Church, Howard avenue and El Camino Real, from 9:30 a.m. until noon.

GRAPE VINES

Cuttings of grape vines from Spain were transplanted to New Mexico in the days of the first missions, according to the National Automobile Club.

Girls Invited To Visit With Women Marines

For those of you who are interested in the Marine Corps or in visiting an installation where Women Marines are serving, a tour of the Marine Depot is available.

Recruiting sergeants Dan Coleman and Paul Britting of Daly City today announced that the tour of the San Francisco installation at 100 Harrison street is scheduled for October 15, a Thursday.

All girls groups from schools, churches and clubs are encouraged to make the tour. Reservations must be made by calling either Coleman or Britting at PL 6-4110.

The tour will feature talks by Women Marines about their jobs, description of wearing apparel, and a social period.

October 7 is the deadline for groups to make tour arrangements with the local Marine office, 6705 Mission street, Daly City.

DC-Colma Scout Leaders Greet New Executive

Adult Girl Scout members of the Daly City-Colma District were well represented at Monday's reception for Mrs. Edward Gould, new executive director for the North San Mateo County Girl Scout Council.

The open house was held at the San Bruno office of the Scouts on 504 Sylvan avenue.

Mrs. Gould has served Girl Scout organizations on staff assignments both locally and nationaliy. Recently she was part-time executive of the Los Altos Council.

For the past two years she has been the Agency Relations Director and Budget Secretary of the San Mateo District of the United Bay Area Crusade. During World War II, she served with the American Red Cross in Europe.

The ladies from this area who attended the affair include the Mesdames: V. Brown, M. House, Z. Heneise, E. Liberato, M. Plansky, M. Hillman, S. Ojakian, H. Mori, M. Damom and V. Williams.

San Francisco is the nation's second most important financial center.

Your United Crusade Donations Go To Agencies That Help Needy

Good guys give plenty to the United Crusade and they make one big give.

In San Mateo County, 23 agencies will be benefited by this generous gifting on the part of great guys.

Naturally the giving is voluntary and how much is up to each individual — and his conscience.

Where does your gift go? During the 1959 campaign, a total of $10,138,288 was pledged. Out of this $627,462 (6.2%) was used for campaign costs, including publicity for five counties, and $383,423 (3.7%) was used for year-round administration and public information for five counties. This left $9,127,403 plus $65,056 from local crusades amounting to $9,192,459—the total allocated.

The total allocation of $9,192,459 is divided thusly:

Local units of national organizations, $2,614,257; services to families and children, $2,489,492; recreation and citizenship programs for youth, $2,477,715; community health services, $846,665; community planning and budgeting services, $394,299; for unpaid pledges, $303,015, and miscellaneous allocations, $67,016.

The United Crusade drive starts September 28 and lasts through October. The residential drive starts October 13.

The Crusade aims to raise $11,000,000 for these agencies in Alameda, Contra Costa, Marin, San Francisco, and San Mateo counties. No other campaign in the Bay Area aims so high, stretches so far!

It's the big gift of tens of thousands of "good guys" who know their donation spreads good in countless ways.

It does the most for the most people. Crusade agencies shelter babies, youngsters and old folks. Your gift provides care for sick and handicapped, for people who are lonely, neglected, in trouble. It rebuilds after disasters, whether they happen to people or towns. It searches for new knowledge and skills to prevent suffering.

The Crusade does good for everyone. Its services touch four out of five families. We all gain from youth programs . . . medical research . . . from neighbor helping neighbor.

Give and give big and bask in the sunshine of your generosity!

W'lake Lutheran Has 'New Look' Sunday School

Westlake Lutheran Church has begun its Sunday School educational program with the new look this year. All new materials are being used throughout the Sunday School program. The program provides classes for every age group, from nursery to adults. The entire program is Bible based with an up to date approach that has appeal for all.

Arlene Rosalind Anderson Of Westlake Recites Vows With Richard Wm. Cloutier

Honeymooning at Catalina Island in Southern California are Daly City's Arlene Rosalind Anderson and Richard William Cloutier.

The attractive young couple exchanged wedding vows the afternoon of September 12 at Lakeside Presbyterian Church, 19th avenue and Eucalyptus drive, San Francisco. The postnuptial reception was held at Forest Lodge.

The Rev. Dr. Clark Neale Edwards officiated for the ceremony.

Arlene, a graduate of Westmoor High School and a student at San Francisco State College, is the daughter of Mr. and Mrs. Lyle C. Anderson, 172 Westmoor avenue, Daly City. Her honor attendant was Carol Quadros and bridesmaids were Barbara Beresford, Connie Haywood and Shirley Wingo.

Richard Cloutier's parents are Mr. and Mrs. William Cloutier, 433 Westlake avenue, Daly City. Richard is a graduate of San Francisco's Poly High School, attends University of California, and is affiliated with the Acacia Fraternity at the Berkeley campus.

Arlene has one brother, Gary Anderson. Richard's brother is Tom Cloutier and his sister is Diane Cloutier.

Arlene was given in marriage by her father. She wore a gown of chantilly lace and nylon tulle with tight-fitting bodice and long pointed sleeves, and an imported silk illusion veil attached to sequins and seed pearls. She carried a bouquet of four white orchids surrounded by stephanotis and lily of the valley.

The bridesmaids were attired in coral-hued costumes. Their flowers were carnations.

The bride's mother wore a silk blue print sheath dress with royal blue accessories. Mrs. Cloutier was outfitted in a beige sheath dress with brown accessories.

Arlene and Richard will make their home at 2801 College avenue in Berkeley.

ESTABLISHING their home in Berkeley are Mr. and Mrs. Richard William Cloutier, both Daly City residents. The bride, Arlene, is a graduate of Westmoor High. She is the daughter of Mr. and Mrs. Lyle C. Anderson of Westlake.

Garden Club's Show Highlighted By More Than 100 Jr. Entries

The sixth annual flower show of the Daly City Garden Club at War Memorial Building on September 13 was thoroughly enjoyed by the hard-working garden club members and the public.

Mrs. Ward McLeod, president of the club, expresses her gratitude to the people who had to wait for the opening of the show, which was delayed a half-hour.

The junior section of the Garden Club show had over 100 entries from youngsters in the community, topping the junior division of the San Mateo Fair this year! The following are the blue ribbon winners: Children 5-9 years, Becky Parish, button garden; Barby Sinkir, rooted plant in water; Barby Sinkir, potted plant; Denise D. Schultz, cut flower. Artistic group, 5-9 years, an animal made from vegetable, Kathryn Harrison; an arrangement of flowers in an egg shell, Becky Parish; an arrangement in a toy, Gordon Graham.

Junior Division, ages 10-13—George Pfleg, a terrariun; Leslie Rizzo, potted plant; Sally Parish, cut flower. Artistic arrangements, 10-13 years—Colleen Cassidy, potato container with fresh flowers; George Pfleg, an arrangement of dried and fresh materials; Sally Parish, arrangement of fresh flowers. Ages 14 through senior high school—Carol Genasci, driftwood with flowers; Carol Genasci, rock garden; Linda Mayer, seashore arrangement with flowers; Carol Genasci an arrangement using objects found in the woods.

The adult section also was highly competitive, especially in the miniature class, which was one of the largest of its kind to be found in any standard flower show on the Peninsula the past year.

The following women added more blue ribbons to their collection: In the open-to-all class —a tiny garden, Mrs. C. M. Yohn; gems for an elf, Mrs. Thomas Parish; beside the sea, Mrs. C. M. Yohn.

In the next section of the miniature division, the blue ribbon winners were Mrs. T. Parish and Mrs. W. H. Murphee.

Novice Class — El Camino Real, fresh flower arrangement, Mrs. Evelyn Smail; Skyline drive, all green arrangement, Mrs. Joseph P. Schultz, Bayshore freeway, arrangement suitable for a modern home, Mrs. Lynn Cinti; County Road, material collected along a county road, Mrs. Harry L. Colin.

Amateur class — Shopping Center, M. E. Ostrander; School, arrangement suitable for the principal's office, Mrs. C. M. Yohn; Community Center—flower arrangement using weathered wood, Mrs. J. Galante; Church, an arrangement using fresh flowers for Sunday service, Mrs. C. M. Yohn; Home, an arrangement of sophistication, Mrs. Evelyn Smail.

Advanced Amateur — Research, a composition of fresh flowers and staging, Mrs. Joseph P. Schultz; Jet Age, a vertical arrangement using cacti, Hyman Rosenberg. Into Orbit, a bold design to be viewed from all sides, Hyman Rosenberg; Solar System, an arrangement in color values of yellow, Hyman Rosenberg; Universal Brotherhood, a composition using driftwood, Mrs. Thomas Parish.

In the corsage class, Mr. Rosenberg added one more blue ribbon for his corsage of "Her First Dance." The Beresford Garden Club took first place with their arrangement of Sunset Over the Ocean.

The flower show closed at 9 o'clock in the evening with the garden clubbers taking time out for coffee and cake, compliments of Relish Bakery which has added this traditional "community" touch the past several years.

B'RITH WOMEN PLANNING COMIC FASHION SHOW

"Baubles, Bangles and Shmates," is the title of the comic fashion show to be presented by Skyline B'nai B'rith Women at their membership tea, Tuesday, September 29, 8 p.m. at the home of Mrs. Daniel Leventhal, 78 Terrace avenue, Daly City.

Participating in the fashion show will be the Mesdames: Robert Block, Martin Diamond, Gordon Sennett, Jerome Shain, Norman Tauber, Morris Wohl and William Gitlitz, commentator.

The group will be honored to have as guest of honor Mrs. Harry Tauber, third vice president of B'nai B'rith Women District 4, who will give a talk on the "B'nai B'rith Story."

Assisting membership chairman, Mrs. William Gitlitz in preparation for the tea are the Mesdames: Ed Sennett, Alan Shamitoff, Robert Stein, Leo Tinkler. Refreshments have been arranged by Mrs. Jerry Turover.

Social Security Officials Tell Air Show Plans

New pamphlets containing the latest information on Social Security and how it will affect you have just been received and will be available to the public free of charge at the Pacific Festival — Air Show's open house at the San Francisco International Airport on Sunday, September 27.

Mrs. Mercia Leton Kahn, manager of the Mission District Office of the Social Security Administration located at 761 South Van Ness avenue, San Francisco, said her office will have a booth and an exhibit at the Airport on that day so the public can obtain these pamphlets as well as ask any questions they might have on social security.

The Air Show is being sponsored by the San Francisco Junior Chamber of Commerce in conjunction with the Pacific Festival. F. Douglas Van Sicklen, Junior Chamber chairman for the Air Show, said: "The show is proving to be the best aircraft and space-flight display open to the public in the western half of the United States." Van Sicklen, who is the assistant traffic manager with Pan American Airways, also said there is full Armed Forces participation at the Air Show, which will include precision flying by military aircraft as well as displays of the latest military and commercial plans. There will also be music, drill teams and scenic flights.

Mrs. Leo Kruger President Of B'nai Sisters

The Sisterhood of Congregation B'nai Israel will have their first monthly meeting of the year on Monday, September 28, at 8 p.m. in the home of Mrs. Leo Kruger, 990 Wildwood ave., Daly City.

Accidents Took 91,000 Lives During 1958

The 1959 edition of Accident Facts published by the National Safety Council tells a horrible story of accidental deaths and injuries in the nation last year.

It is almost inconceivable to believe that 91,000 citizens lost their lives in 1958 due to accidents. In addition to these tragic deaths, there were 9,100,000 disabling injuries.

Work injuries caused 13,300 deaths, motor vehicle accidents 37,000 deaths, home accidents 27,000 and public accidents 16,000. Deaths shown above for the four special classifications total more than the national figure of 91,000 because some deaths are included in more than one classification. Actually, the total of such duplication amounted to 2800 in 1958.

Colma-Vista Grande Eagles Set Meeting

Colma - Vista Grande Aerie 1848, Order of Eagles, will hold a regular meeting on Thursday October 1, at Eagles Hall on San Jose avenue, President Herman Kalinin announced today. Starting time is 8 o'clock in the evening.

California had 1,421,228 acres planted to fruits and nuts in 1959.

DC Sea Scouts Back In Force For Fall Events

Local Sea Scouts, boys of Daly City, Colma, and San Francisco's Sunset District, have wound up a program of continuous summer activities.

Regular Tuesday night meetings were continued all summer long. Activities ranged from group visits to Playland at the Beach to a guided tour of Westlake's fire station, the latter through the invitation of Battalion Chief Frank Specht. Throughout the summer there was constant sailing on Lake Merced, training for advancements and coaching of members, and work on the Sea Scout Ship's boats.

A full-dress ceremonial meeting, attended by the full ship's complement of officers and boys, Frank DeMartini, institutional representative for the unit sponsor, the Westlake Improvement Association, and members of the ship's committee, was held Tuesday night.

The committee has retained Albert Wilson as chairman, and other active members are Fred O. Goodell, Herbert Peterson, Bill Deinhard and Roy J. Johnson. The Ship's Skipper is Jay F. Irick, assisted by Bob Gunthorp, Mate. Boy leaders are Frank DeMartini Jr. and Darryl Deinhard.

Apart from the weekend sailing and weekly meetings every Tuesday at 7:30 p.m. at Westlake Auditorium, immediate plans include a beach party and a Sea Scout-Girl Scout dance.

Interested boys in their teens are urged to consider joining the ship. Restricted in size, there are still some openings for new members. Contact Darryl Deinhard at PL 6-4318 or Gunthorp at PL 5-2181.

FOURTH ANNUAL 'WHITE MASS' IS SCHEDULED

On Sunday, September 27, at 9 a.m. in St. Mary's Cathedral, physicians, dentists, nurses, pharmacists and those in the allied health fields will join together for the fourth annual White Mass.

Last year more than 1200 persons attended. The White Mass is co-sponsored by the Cosmas Damian Guild of Pharmacists and the San Francisco Chapter of Catholic Nurses, and the San Francisco Catholic Physicians Guild.

Following the Mass will be a communion breakfast at Phelan Hall, on the campus of the University of San Francisco. The speaker will be attorney and orator John Jay Ferdon. The mistress of ceremonies will be Dr. Rosalie Riodan, an anesthesiologist practicing in the eastern part of Contra Costa County.

DASHING Don Sherwood and Columnist Herb Caen showed Police Athletic League youngsters Joe Fierce, Mike Crudo and Mike Fierce "how" in recent appearance at Westlake Bowl to boost the fund-raising bowling tourney. The Daly City youth group is $4500 better off thanks to the tournament.

Friendly Visiting Service Invites Public To Meet

An opportunity for public spirited citizens to learn of the function and benefits of one of the valuable volunteer services in San Mateo County will take place on Monday, September 30, from 9:30 a.m. to 2 p.m., at the Department of Health and Welfare, 225 37th avenue, San Mateo.

The Friendly Visiting Service of San Mateo County provides friendship to elderly, lonely residents of public and private nursing and boarding homes. At this time the service conducts its annual training and orientation course for new volunteers. Doctor Peter Packard, chairman of the Friendly Visiting Service, has issued an invitation to the general public to attend.

Scheduled as speakers are: Harold Simmons, superintendent, Social Service Division; Dr. Joseph J. Downing, program chief, Mental Health Service Division; Mrs. William Horn, member of the Assistance League of San Mateo County; Mrs. Elizabeth Cooperrider, director, Friendly Visiting Service; Mrs. John Godley, volunteer visitor; Mrs. Patricia Walker, boarding house manager. Presiding will be Mrs. John Riordan Jr., chairman, Friendly Visiting Service Training Program.

Invitations have also been extended to members of women's organizations, civic and fraternal groups, as well as Friendly Visiting Service Volunteers, and volunteers affiliated with other county services.

The Friendly Visiting Service is sponsored by the Assistance League of San Mateo County in cooperation with the Department of Health and Welfare of San Mateo County, and the Volunteer Bureau of San Mateo County.

The five-county goal for the United Bay Area Crusade is $11 million, to be shared by 263 health, welfare and youth agencies.

SENIOR GIRL SCOUTS HOLD RE-UNION TO TELL OF CAMP

The eight Senior Girl Scouts from the North San Mateo district who attended the July 3-10 Round-Up in Colorado, held a get-together at the San Bruno home of Mrs. Margaret Jones, President of the Girl Scout Council, Tuesday night.

Senior Scouts: Carol Duke, Daly City; Ann Mori, Barbara Golloday, Colma; Fran Robinson, South City; Caroline Buhs, Ann Burke, Joan Burke, San Bruno; and Marilyn Garelick, Millbrae; were all present with their parents and friends who helped with the Round-up.

The evening was spent in showing movies, slides, scrapbooks of pictures of the Round-up, and telling about their experiences in giant encampment of 8,500 Girl Scouts.

The national Round-up takes place every third year and Girl Scouts from every state in the union as well as from 27 foreign countries attend to exchange ideas and experiences.

This year the slogan was "A Mile High—A World Wide." Good will and friendly international relationship is brought about by this closeness of contact and understanding one another's ways.

Any girls in this district, between the ages of 14-18 who would like to become a Senior Scout, regardless of previous experience, has an opportunity to do so.

Mrs. Helene Mori, a Girl Scout leader the past 10 years, says her Troop 24 is open to Senior girls who would care to join. This troop will give older girls an opportunity to plan the things they would like to do. Any suggestions will be welcomed by Mrs. Mori.

Any girls from the various sections of this area including Colma, Broadmoor, Peoria, Westlake, or Parkview-Sterling Park, may contact Mrs. Mori by phoning PL 5-1235.

The other senior Girl Scout group is under the direction of Mrs. Margaret Damon, who has been a leader for 11 years. Mrs. Damon is Skipper for Ship 13.

LOCAL CAMPFIRE LEADERS MEET NEXT TUESDAY

The District Association of Daly City and Westlake area Campfire Girls will have a meeting at War Memorial Building next Tuesday night, September 29, at 7:30 p.m.

Miss Claire Barracks executive director of the Peninsula Council of Campfire Girls, will preside. The main objective of the meeting is an organization of membership groups of this area. There will be reports of summer camp activities and the programing of fall activities and the programing of fall activities. The date for leaders training will be set. Anyone interested in becoming a member of the group or an assistant or sponsor are welcome.

All leaders, assistants, sponsors and parents of the organized Campfire and Bluebird groups are urged to attend. Refreshments will served.

Anyone interested in local Campfire activities or becoming a leader or an assistant and who desires more information can call Mrs. Arthur Waldvogel, PL 5-4319.

Pacifica Hosts United Crusade Training Meet

A United Crusade training meeting under the direction of Mrs. Grace Briggs of the Crusade staff will take place this Friday, September 25, at 1:30 p.m in the Little Brown Church at Pacifica (Sharp Park) on San Francisco boulevard.

Section and neighborhood chairmen will be shown a training film upon the methods of approach for funds for the United Crusade residential drive. Informational material will also be passed out to the volunteer workers.

Mrs. Robert F. Gil, United Crusade residential chairman for Pacifica, has announced that all selections for section and neighborhood chairmen are complete with her quota of twenve women.

These are the Mesdames: Wiliam Croman, Robert Keane, Emmett Mannery, Lewis W. Nelson, Daniel McNamara, Robert Owens, Loren Post, Charles Sloane, Harry Souza, Carl Schellenberg, D. V. Stone and Franz Wiese.

Seacliff Church Ladies Schedule One-Day Bazaar

Last Friday evening, members of the Women's Society of World Service, Seacliff Community Church, met for a work night at the home of Margaret Van Vick in Westlake.

The date of November 14 was set for a bazaar to be held at the church, which will be closely followed by the dedication of the new addition to the church. Members and friends of the society are busy preparing items to be offered for sale.

The date of the bazaar has been set to offer a convenient and enjoyable day for the Christmas shopper. Funds raistd at the bazaar will be used to purchase needed items for the kitchen in the new addition. Those attending the work night were Ada Ruseling, Betty Toft, Society President Helyn' Dilbeck, Carol Picchi, Alice Fanthorpe, the Rev. Fred Fanthorpe, and hostess Van Vick.

This Thursday a delegation from the Society will be guests of the Women's Society of Oakland at a luncheon. A book report will be given on "The Way in Africa" by George Wayland Carpenter. The Society has chosen Africa as its source of study for the next year. Anyone interested in the work of the Society may call PL 6-1078 for further information.

Nursing Service Agency Aided By United Crusade

It is possible to get part-time professional nursing care at home through the Visiting Nurses Association, a member of the United Crusade.

How can this be done? By calling a public health nurse who works for The Visiting Nursing Association of San Mateo County, as well as the Health Department. A person recently dismissed from the hospital, or needing help in carrying out a prescribed treatment, can be helped by the public health nurse in many ways.

For example, she can give an injection, change a dressing, give an irrigation, help with passive exercises, give bedside care, interpret diet instructions.

When a person is recovering from an acute or long-term illness, the public health nurse can show what needs to be done to help normal living procedures.

She is skilled in patient rehabilitation. She is skilled in teaching and demonstrating patient care. The public health nurse works under the direction of the treated person's physician.

A public health nurse may be obtained by calling PL 5-0771.

The charge is $5.50 for any visit up to an hour. At the time of the visit the fee can be adjusted to what the person can afford to pay.

Visiting nursing service is additionally supported by United Crusade, memorials, bequests, memberships and contributions.

Mrs. Inga M. Koski is Supervising PHN for the North San Mateo County District Health Office, 1024 Mission road, South San Francisco, and would be glad to answer any questions concerning the Visiting Nurses Service.

Local Y Offers Golf, Tennis, Swim Classes

Golf, tennis, and swimming classes are being offered locally by the YWCA.

Golf classes will be held on Tuesday afternoons, beginning September 22, at the Colma Golf Range, 3405 Junipero Serra boulevard. Half-hour lessons will be given at 1, 1:30 and 2 p.m. Golf pro Larry Montes will give instruction in grip, stance and swing using woods and irons. Class fee is $3 for 4 weeks. There is a 75 cent ball fee each session.

Tennis classes will be given at the Olympic Country Club on Tuesday afternoons, beginning September 22, with ¾-hour classes at 1 and 1:45 p.m. Instruction in grip, position, serve and play will be given by pro Ed Randall. The fee is $6 for 4 weeks.

Classes for teenage boys and girls age 12 to 16 years will also be given on Tuesday afternoons at 3:15 and 4:30 p.m. for a fee of $4 for 4 weeks.

Larsen Pool, 19th and Wawona streets, San Francisco, will house the swimming classes on Friday mornings beginning September 25. Classes will be held for beginners at 10 a.m., for intermediates at 10:30 and for advanced swimmers at 11 a.m. Fee for instruction is $4 for 8 weeks. Pool fee is 50 cents per morning.

Advance registration is required for all YWCA classes and may be made at the "Y" office, 375 South Mayfair avenue, Room 234, Daly City (in the Westlake Shopping Center), PL 6-7370.

Because the United Bay Area Crusade fell short of its goal last year, the Visiting Nurse Association had to drop two nurses from its staff. As a result, 230 chronically ill patients who might have been cared for at home, were not, and some of them were required to enter a hospital instead.

DALY CITY co-chairmen of the "Dollars for Democrats Drive," Mrs. Albert Brawley, Mayor Edward Dennis, and Assistant Mayor Francis Pacelli, met with State Senator Eugene McAteer of San Francisco, and North End Democratic Club officials, President Stanley Brown, and Treasurer Julius Castelan, at a breakfast meeting recently to discuss plans for a successful Daly City, Broadmoor, and Colma campaign. The drive will be held October 1, 2, 3 and 4.

TRIMNASTICS CLASS AWAITS LOCAL WOMEN

Let's all be Miss Americas! The figure you want can be yours. For further information look into the class in trimnastics offered by the YWCA. Don't miss this opportunity to receive supervised excise calculated to put everything you have into its proper place and keep it there.

Trimnastics is offered by the YWCA each Wednesday morning at 10 a.m. beginning September 25, at the War Memorial building, Mission and Alp streets, Daly City. A supervised playroom for 2 to 5 year old pre-school children is available. An 8-week series cost $4. Mrs. Jean Sorensen will be the instructor.

"Come on, get with it," says Jean. "If you don't want to come alone, bring along a friend. Or just bring yourself and make new friends in the class."

Advance registration is required and should be made at the YWCA office, 375 South Mayfair Avenue, Daly City, PL 6-7370.

Presbyterian Church Tells Youth Offerings

There are many opportunities offered for young people in Broadmoor Presbyterian church at 377 87th street, Daly City.

There are Sunday school classes for seventh to twelfth graders with John Rued as general superintendent. There is a Youth Choir for seventh to tenth graders and the Adult Choir for older youth, directed by Delmar Severy. There is Scout Troop 84, led by Frank Garretson, and Explorer Post 84 for older boys, led by Robert Holcomb.

There are also Sunday evening activity meetings for Junior High Youth and the High School Young People. The Junior High Westminster Fellowship has its first autumn meeting this Sunday evening, September 27 from 7 to 8:30 p.m.

The High School W.F. also meets Sunday evenings at 7. There is a Game Night this Saturday in the social hall of the church, planned to welcome incoming ninth graders and any newcomers interested.

Projects, outings, parties and inter-church meetings are participated in by the youth who attend these groups in the church, according to the Rev. Herbert C. Tweedie, pastor.

DC Navy Recruiter Announces Annual Exam For College ROTC

Chief Ken Gaddis, Daly City's Navy Recruiter, announced today that the 14th annual national competitive examinations for the Regular Naval Reserve Officers Training Corps will be given to interested high school seniors and graduates on December 12.

Application forms are now available at the Navy Recruiting Station, 6705 Mission street, Daly City, and must be sent in before November 14.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit.

All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of $600 for four years. During the summers the student goes on fascinating training cruises as a midshipman.

After completing the usual four year college course, the NROTC graduate is commissioned in the Regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy's far-flung fleets.

For those who apply and qualify, immediate assignment to flight training will open new careers in naval aviation.

High school seniors and graduates between the ages of 17 and 21 may apply for the NROTC aptitude test. Those who make a qualifying score will be given a rigid physical exam early in 1960.

From a pool of qualified young men remaining in competition, approximately 1800 will be selected to begin their naval careers next September.

The NROTC college training program is also open to enlisted men on active duty with the Navy and Marines. Separate quotas are established for applicants from within these services.

The University of Utah, the University of California, and Stanford University are the colleges in the San Francisco Recruiting Area that have NROTC units.

Application forms are available at all high schools, colleges, and the Navy Recruiting Station at 6705 Mission street, Daly City, PL 6-3740.

Our Lady Mercy Sodality Sets Installation

The installation of new members of the Sodality of Our Lady Of Mercy parish will take place on October 4, at the 9 o'clock Mass. Spiritual Director, Mrs. Paul Churchwell, has announced that the installation will be followed with a light breakfast in the parish hall. Mrs. James Diggins will be the chairman of this breakfast, and all Sodalists of Our Of Mercy are invited to attend. Reservations for this breakfast must be made before September 30 by calling Mrs. Diggins at PL 6-1904 or Mrs. Churchwell, PL 6-0236.

Mrs. Richard Dwyer, Sodality chairman, states that the present enrollment totals 350 members, and that a large number of new parishoners are expected to join the Sodality in honor of Our Lady. Any parishioner, who is not already a member of the Sodality, may contact Mrs. Dwyer for enrollment, at PL 5-2032.

Sodality Sets Mothers' Tea

The Sodality of Our Lady of The Assumption of St. Thomas More Parish will hold a Mothers' Tea on Wednesday, September 30, at 1:30 p.m. in the church hall. The purpose of the tea is to introduce the mothers of new pupils to the teaching staff and help them get acquainted with the other mothers.

Chairman of the affair is Mrs. H. L. Edwards. Co-chairman is Mrs. Robert Keeffe. Mrs. Joseph Kenny is in charge of decorations.

All the mothers of the parish are invited to attend.

Choral Guild Music Program In Broadmoor

The Choral Conductor's Guild will present a program of church music on Monday, September 28, at Broadmoor Presbyterian Church, 377 87th street.

Tikey Zes and members from his Oakland Greek Orthodox Choir will discuss and demonstrate "Early Greek Chant and Contemporary Harmonized Settings of Greek Hymns," and Waldemar Jacobsen and members of his San Francisco Calvary Presbyterian Choir will discuss and demonstrate "Anthems for the Worship Service."

The meeting will take place at 7:30 p.m. The Choral Conductor's Guild is an organization of church choir directors and interested persons who are striving to improve church choir music. Monthly meetings of interest to director's and singers are held regularly. Further information may be obtained from Mrs. Dorothy Spratt, the Guild's secretary, at PL 6-3741.

Yuba City, located in Sutter County, is reported by the National Automobile Club to have been founded in 1849 on the site of an ancient Indian village.

Marines Forming Bay Area Unit Of Association

A founding dinner to establish the Bay Area Chapter of the Marine Corps Association is slated in San Francisco at the Marines' Club, 609 Sutter street, at 7:30 p.m. on Sept. 25, Marine Corps officials announced this week.

The Association is termed "the only professional society of Marines," according to Colonel W. E. Barnes, director of the 12th Marine Corps Reserve and Recruitment District, San Francisco.

Barnes will serve as first term president of the new chapter. The Marine Corps Association is open to all ranks, regular and reserve, active or retired. Organizing the Bay Area Chapter, which will be one of the first in the nation, represents a new approach to enlarge the organization and further the professional stature of a Marine, Colonel Barnes pointed out. For years, the Association has been largely an activity of the Marine Corps Gazette, a professional Leathernecks' magazine published at Quantico, Virginia.

A persons interested in attending the founding dinner and learning more of the Association should make reservations by contacting Captain M. J. Styles, 12th district headquarters, 100 Harrison street, San Francisco, GA 1-2030 Ext. 200 or 202. The dinner will be held in the East room of the Marines' Memorial Club. Serving with Barnes as first term officers of the new Bay Area Chapter will be Lieutenant Colonel Howard L. Mabie, inspector-instructor of the 7th Infantry Battalion, San Bruno, vice president; Sergeant Major Robert E. Stokes, Marine Corps Supply Forwarding Annex, San Francisco, Secretary; Captain Theodore Horstmann, San Francisco Area Auditor's Office, treasurer, and Captain Styles, business manager.

Blood Bank To Invade Brisbane For Donations

First visit of the Peninsula Memorial Blood Bank's mobile unit to Brisbane will be made Saturday, September 26, from 8:30 a.m. to noon.

The Brisbane Lions club is wholeheartedly endorsing the visit so that residents may build up blood reserves. The unit will be stationed at the First Baptist church, 348 Visitacion avenue.

Blood bank officials cautioned donors not to eat for at least four hours before giving blood. Reservations may be made by calling the church or the Blood Bank, OX 7-0434.

Deer Plentiful As Hunters Open Inland Season This Saturday

Sportsmen can expect deer hunting opportunities at least as good and in some areas better than last year as the inland deer season opens September 26 to continue through November 1, William E. Warne, Director of the Department of Fish and Game, said today on releasing the department's preseason prediction of deer kill prospects.

Warne cautioned that the fire hazard continues extreme statewide, and urged all hunters to check at State Forestry camps or at local ranger stations for campfire permits, and to determine current, local fire danger ratings before going afield.

Due to the general shortage of water throughout the state, Warne reminded hunters to carry water supplies with them into most areas.

"Cooperation is requested in the matter of camping at waterholes. Please remember that all living things suffer without water. The presence of people and equipment within 300 yards of springs and sumps often prevents wild animals from using the water facility," he said.

In many state areas forage is below normal because of the extremely dry year. In the north, water supply is not a major problem in the Trinity-Humboldt-Del Norte area.

The physical condition of deer is good.

Following is an area-byarea outlook as prepared by the department from field reports:

Northern California

Del Norte, Humboldt, Trinity, Siskiyou, Modoc, Lassen, Tehama and Shasta county field men report seeing a large number of bucks on all ranges. Fawn survival, due to open winters, has produced a bumper crop of young bucks. Forage, supplies, favorable temperatures and other factors have promoted antler growth in all age classes. Hunters are cautioned to look carefully lest unusually large spike development be mistaken for legal antlers. Most deer are near permanent sources of water, such as streams, rivers and lakes in all counties. High daytime temperatures cause deer to remain concealed in dense, shady cover on north slopes.

Truckee-Carson — Big bucks are still in the high country despite lack of water. Limited water might cause hunter concentration in some areas. Buck kill in the Truckee and Markleeville areas is expected to be good, but slower than the 1958 season, due to the relative high fawn loss of the past two winters. Three-year-old deer should show up moderately.

Plumas, Eastern Butte and Eastern Sierra — Average to better than average kill anticipated. Deer are well distributed over the summer range except in eastern Sierra County and in southeastern portion of Butte County where they appear to be ranging at elevations lower than normal because of limited water at higher elevations. Some of the smaller streams and springs are dry in other areas also, but the water conditions are not critical for deer and distribution is not affected. Some movement of deer is occurring in the Chester area and at higher elevations in northeastern Butte County.

Glen and Colusa — Only a very small area of Colusa County (area north of Big Stony Creek) is in the late season. Deer signs are plentiful and numerous deer have been sighted in the recent burns along Alder Springs road above Powderhouse. Considerable tracking and trailing are also evident in burns on Shepherd, Hardin, Hardin Hole and Dave's ridges in Grindstone Canyon. Fawn survival has been good for this area over the past two winters so there should be a good number of bucks in the younger age classes.

Western Placer, Western Sierra, and Western Nevada counties—Prospects are better than last year due to good survival of the 1957 fawn crop and to this year's later hunting season. Bucks are in good condition. Best hunting during the early part of the season will be above the 4500-foot elevation.

Central California

Hunter success should be above last year due to the later season and good fawn survival. More bucks have been seen throughout the mountain counties of Central California. Resident deer are ranging low. Migratory deer, primarily, will be found between 4000 and 8000 feet elevations. The later closing date and storms should concentrate the herds, making hunting easier later in the season. The more inaccessible high areas should provide the best hunting success.

Better hunting spots are:

Kaweah District — Many bucks have been seen at Big Meadows, Stony and Weston.

Tulare District — Blue Ridge and Mountain Home; this district has a heavy concentration of deer.

Porterville District — Camp Nelson and Jordan Mt. report many deer have been seen.

Greenhorn Mountain — Tiger Flats, Portugese Meadow, Gooseberry and Frog Meadows.

Kernville — Tobias Creek, Baker Ridge and Piute. Johnsondale and Breckenridge poor, not many deer.

Monache — Kennedy Meadows good the latter part of the season. Deer move into this area from higher elevations.

Tehachapi — White Oak, Bear Mountain and Tajon Ranch, private land. Hunting by permit only.

Glennville — Granite Station and Lynn's Valley excellent, many deer. This is private land, but hunting permission may be had.

Tuolumne County — Above 5000 feet, Dardenelles, Emmigrant Basin, Cherry Bluffs.

Mariposa County — Above 5000 feet, Fish Camp, Signal Peak, portions of Chowchilla Mountain.

Road conditions are good, however some roads in the Camp Nelson and Brush Creek areas require jeeps. Brush Creek road to Poison Meadows is closed by the U.S. Forest Service. The new Stump Springs road in Fresno County will be open. Tuolume and Mariposa Counties below 3000 feet are almost entirely on privately owned property, and individual permission from landowners is necessary.

Bay Area ORT Delegates At D.C. Convention

A delegation of 15 representatives from every chapter of Women's American ORT in the Bay Area is attending the 15th biennial convention this week in Washington, D.C.

The delegation includes Mrs. Kurt Goldstrom, president of the Peninsula Region of Women's American ORT, and Mrs. Joseph Cooper, president of the North Penuinsula chapter.

The many convention speakers include columnist Drew Pearson, Senator Hubert Humphrey, and Dr. Max. A. Braude, director-general of the World ORT Union.

MISS Pat Murray left and Miss Marijane Flynn, seniors from Mercy High School who will model at "Fashions in Orbit," are shown with Mrs. Alfred Palacios, chairman of the models' committee. The fashion show, sponsored by the members of the Sodality of Our Lady of The Assumption of St. Thomas More Parish, will be held at Green Hills Country Club, Millbrae, on October 10 at noon. Fashions will be show at noon. Fashions will be shown from H. Liebes of Hillsdale. For reservations, call Mrs. H. L. Gannon, JU 7-8764, or Mrs. John Callero, PL 5-7772.

SENIOR three-year letterman Art Banos (second from left) and John Margaroni get a briefing from (left) Assistant Coach Steve Mezzera and Jefferson Head Coach Joe McGrath. McGrath bemoans the fact that five first stringers and six second team players were lost for various reasons before practice even started. Banos and Margoni are tested backfield runners.

GOLDEN GATE OPEN FLOODED WITH CHAMPS

Champions of almost every major golf event over the past two years will compete in the Golden Gate Open tournament at Harding Park this week.

The $40,000 event has drawn U.S. Open champion Bill Casper PGA champion Bob Rosburg, Daly City's Ken Venturi, winner of the Los Angeles Open and Chicago Open, and big Mike Souchak, who has won the Tournament of Champions at Las Vegas, the Miller Open and the Western Open in one of his best seasons on the PGA tour.

Also on hand will be Dow Finsterwald, the 1958 PGA king, and Tommy Bolt, who won the 1958 U.S. Open.

Harding Park's par 72 is being cut by one stroke for the Open and local golf enthusiasts believe the course will provide a fine test for the nation's touring pros.

Local interest will be centered in such entrants as City champion Bob Silvestri, former National Amateur champion Harvie Ward and Peninsula Club pro Bud Ward, who won the National twice as an amateur. They all have been extended special invitations by the tournament committee and are exempt from qualifying.

Also on the exemp list is Willie Goggin of San Jose, who gets in as National PGA Seniors champion. Additionally, the winner of the State Amateur currently in progress at Pebble Beach will receive a special invitation.

GATORS FACE CAL POLY AT COX STADIUM

San Francisco State's Gators hope for their third straight victory this year, and third in a row over Cal Poly of Pomona when they meet that team Saturday at 2 p.m. at Cox Stadium.

Already victors over San Quentin, 20-16, and Humboldt State in their league opener, 28-9, the Gators have won twice over Cal Poly without a loss or tie marring their record. Coach Joe Verducci looks toward quarterback Jim Sochor to set the pace. He has received additional backfield help in the form of Gene Craft, scatback from City College of San Francisco.

Verducci's club plays two more practice games before returning to Far Western Conference league play against University of Nevada. The Gators vie with Long Beach State and Occidental at Long Beach and Los Angeles before making the Reno trek.

ENCINAL FIRST PRACTICE GAME

Telephone Booth Sized Squad Of Jeff Gridders Open Friday

Jeff High Coach Joe McGrath is bringing enough players to squeeze into a telephone booth with him to Alameda Friday for the first practice game against Encinal at 3:15 p.m.

Twenty-five players will make the trek for the opening tilt. McGrath is wary of the powerful Encinal machine and hopes starting play-caller Marty Cosgrove won't get cable collared by charging linemen.

Only 24 players have had the necessary practice sessions to be eligible for the first pigskin contest. Within a couple weeks McGrath hopes to have 10 more boys on the field.

Last week, Encinal's opener was called on account of rain. "This is a break for us. Usually we meet them after they already have had a game under their belts," McGrath said.

McGrath claims the Alamedans either won or tied for their league title and should provide stiff competition for the local lads. "They have had strong clubs for the past four or five years and I see no reason why this year should be any exception," he stated.

"Our team organization is not as well set as it will be in the next two weeks. We lost two days of practice last week and some boys who should see action won't even make the trip due to lack of practice.

"Unless a lot of injuries plague us, we should show improvement as the season goes along. This game can't be too much of an indication of our worth as not all members of the squad will be present and injuries may cut down our efficiency at this time."

McGrath hopes to use all 25 players making the trip to allow them some needed experience. He said the team will elect the season's co-captains Thursday. One lineman and one back are the usual title-holders.

The coach looks toward Bob Nielson to be "one of the best linemen in the league this season.' 'He also expects Art Banos to run rampage in a few of the loop tilts.

Leading the multiple offense —unbalanced T formation and the single wing, using the short punt offensive alignment—will be quarterback Cosgrove. McGrath would like to keep a happy balance, tossing once during every series of four downs, but will determine that point when he finds what type of defense Encinal sets up.

"Cosgrove's passing has been much better than average and we may throw more than anticipated as the season moves along," the mentor praised.

McGrath recalled, "In one game at Jeff we tossed 45 passes out of 48 total plays. If that's what it takes to win a ball game we'll try it this year."

Defensively he tabbed John Margaroni and Cosgrove as standouts in the secondary and again name Nielson for his line movement.

Starters for the Indians are:

RE—STEVE DUSCHEL
RT—GARY MONYHUN
RG—BOB NIELSEON
C—JERRY SIFFORD
LG—JIM CARUSO
LT—DARYL COHN
LE—GIL MORENO

Jeff Gym, Pool Open To Public 6 Days A Week

Jefferson High School gymnasium and swimming pool are open Monday through Friday evenings from 7 to 9:30 o'clock and on Saturdays from 2 to 4, Director Mike Orlich said today.

Use of the gym is free, but swimmers are charged for suits and towels. To use the pool, students with student body cards are admitted for 25 cents while adults must pay 75 cents.

For more information on use of the gym or pool, call Orlich at PL 5-2511.

ALL-STARS TRY AGAIN FRIDAY IN SOUTH CITY

It is somteimes said that youngsters hate to wash.

Daly City-South San Francisco All-Stars, however, hate the wash-out even more last Friday when the game was cancelled due to rain.

The downpour caused the Daly PAL baseball team to accomplish something the major leagues are contemplating for the future, having two All Star games on following days.

The make-up tiff will be played this Friday night at Orange Park in South San Francisco at 7 p.m. The following day the young baseballers meet the Redwood City contingent at Westlake Park at 2 p.m.

Five players from each Daly City and South San Francisco team will play in the Friday night game. Both squads have 20 horsehiders.

San Francisco's Embarcadero, heart of the city's thriving maritime industry, derives its name from the Spanish term meaning landing place.

There are 16 national monuments in Arizona.

SPORTS SPIN

By LOU LUCIA

PIRATES "GO, GO, GO" IF POSSIBLE: "San," of course, stands for "Saint."

Joe Verducci, San Francisco State coach, claimed that when his team beat Saint Quentin, 20-16, it would be the nicest contest his club played all year. In fact Verducci states, "It's our cleanest played game every year."

Aptly named the Pirate, San Quentin's eleven is well supervised. Their training is excellent. They could probably pull the bootleg better than any other footballers in the nation.

Most of them picked up hand-offs on their own. Interior linemen have probed all the intricacies of escaping from trap plays. The backs are quick to spot an opening in which they can squirm through. Yes, sir. These boys would rather play football than sit on a chair.

They feature high-voltage, electrifying tackling and never run out of gas. Some of the boys are so intent on running they have to be restrained.

For each game there is a full house and the fans even stay to praise their players, win, lose or draw. The Pirates sometimes win, sometimes lose, but surely are quick to draw.

Most of these Pirates have had their pictures taken in the past, and unusual for footballers, don't care for publicity.

This team isn't going places; they're already there.

KEEP THE TEETH DEPT.: Jeff Coach Joe McGrath has his players working out with mouthpieces. The Indians have one year's free use of the mouthpieces as recommended by the California Interscholastic Federation Health and Safety Committee.

McGrath says this board reports that not only does this aid cut dental bills down 95 per cent but also helps against concussion. McGrath, a former two-year guard for the now defunct San Francisco Clippers and a St. Mary's standout in 1941, has his players wear the mouthpieces to get used to them.

"A fighter has to get used to wearing them, so do football players. The boys have to learn to breathe properly while having them in their mouths," he said.

Indian Lightweight Cagers Open League Against Burlingame

Jefferson High's 110 and 120-pound basketball teams open the Peninsula League season against Burlingame here on Thursday afternoon next week.

Mike Orlich handles the 10's and Rich Warne the 20's. The Jeff teams last year placed second in their respective divisions.

Practice games this week are against Balboa and Lincoln. Next Tuesday the Indian lightweights host Poly in a final practice tilt.

DC Now Taking Touch-Football Team Sign-ups

The 1959 Touch - Football League sponsored by Daly City Department of Parks and Recreation, is scheduled to get under way on Saturday, October 10. The league will once again be set up on a grade basis and is open to any adult-coached team.

Official rosters and entry blanks may be obtained now at the Recreation Department office, 144 Hillside boulevard, or by calling PL 5-0850, Extension 18. Deadline for rosters is also set at October 10.

Parks Schedule Announced Here

Department of Parks and Recreation announced today that all Daly City recreational facilities will be back in full swing starting Tuesday. The times will be the same as last year's, Monday through Friday 3:30-5 p.m., and Saturdays 10-3:30 p.m. Available for evening recreation and enjoyment will be the War Memorial Community Center and the Westmoor High School gymnasium, 7-9:30 p.m.

Children and adults are invited to attend the facility nearest their homes and participate in the many activities planned for the coming season.

Supervised operations at playgrounds are as follows: Monday through Friday, 3:30 p.m. to 5 p.m., and Saturday's, 10 a.m. to 3:30 p.m., at Colma, Crocker, Olympia, Vista Grande and Westlake schools and Lincoln park.

Tuesday and Thursdays at Frankfort Playground from 3:30 to 5 p.m. and Saturday's 10 a.m. to 3:30 p.m. Mondays and Fridays at Marchbanks Park, 3:30 to 5 p.m., and Saturdays and Sundays from 10 a.m. to 3:30 p.m.

Saturdays and Sundays from 10 a.m. to 3:30 p.m. at Westlake park. War Memorial Community Center on weekdays from 3:30 to 5 and 7 to 9:30 p.m. and Saturdays from 10 a.m. to 3:30. Westmoor High School, Monday through Thursdays, 7 to 9:30 p.m. and Saturdays, 10 a.m. to 3:30 p.m.

Radically New! Low Profile Tires
Safety-Shaped to Beat The Heat

HEAT HATES TIRES!
WEARS THEM OUT BURNS THEM OUT BLOWS THEM OUT

Conventional Tire. Note the long sidewall. As car weight presses down, sidewall flexes more than 700 times per minute on turnpikes. Heat reaches above the deadly 240-degree danger point.

Safety Shape Tire. Note the lower, shorter sidewall. Flex is not as great. Tire works less. Runs cool...cool...cool. Note also lower center of gravity. This gives more stability. Tire never reaches 240-degree danger point.

5 WAYS BETTER THAN CONVENTIONAL TIRES!

MILEAGE	25% to 35% more mileage
HIGH-SPEED ENDURANCE	3 times safer by test
TURNPIKE GAS ECONOMY	6-12 extra miles per tankful
TURNING EFFORT	20% more stability on curves
SKID AND TRACTION	Raised 5% to 10%
